QUESTIONS & ANSWERS

Q: WHAT AM I VOTING ON?

- A: 1. The election of five directors to our Board of Directors (David Margolese, Robert D. Briskman, Lawrence F. Gilberti, Joseph V. Vittoria and Ralph V. Whitworth).
2. To ratify the appointment of Arthur Andersen LLP as our independent accountants for the current fiscal year.

Q: HOW DO I VOTE?

A: Stockholders should sign, date and return their proxy cards in the pre-addressed, postage-paid envelope that is provided.

If you attend the Annual Meeting you may vote in person by ballot, even if you have previously returned a proxy card.

Q: WHO IS ENTITLED TO VOTE AND HOW MANY VOTES DO THEY HAVE?

A: Holders of our Common Stock and holders of our 9.2% Series A Junior Cumulative Convertible Preferred Stock, 9.2% Series B Junior Cumulative Convertible Preferred Stock and 9.2% Series D Junior Cumulative Convertible Preferred Stock as of the close of business on July 24, 2000 (the 'Record Date') are entitled to vote at the Annual Meeting. Each share of our Common Stock is entitled to one vote. Each share of our Series A Junior Preferred Stock and Series B Junior Preferred Stock is entitled to three and one-third votes. Each share of our Series D Junior Preferred Stock is entitled to 2.9412 votes. As of the Record Date, the number of shares outstanding were as follows: 41,968,425 shares of Common Stock; 1,461,270 shares of Series A Junior Preferred Stock; 655,406 shares of Series B Junior Preferred Stock; and 2,000,000 shares of Series D Junior Preferred Stock.

Q: WHAT IS A PROXY?

A: A proxy is a person you appoint to vote on your behalf. We are soliciting proxies so that all shares of our Common Stock, Series A Junior Preferred Stock, Series B Junior Preferred Stock and Series D Junior Preferred Stock may be voted at the Annual Meeting. You must complete and return the enclosed proxy card to have your shares voted by proxy.

Q: BY COMPLETING AND RETURNING THE PROXY CARD, WHO AM I DESIGNATING AS MY PROXY?

A: You will be designating Patrick L. Donnelly, our Senior Vice President, General Counsel and Secretary, and Edward Weber, Jr., our Vice President and Controller, as your proxies.

Q: HOW WILL MY PROXY VOTE MY SHARES?

A: Your proxy will vote according to the instructions on your proxy card. If you complete and return your proxy card but do not indicate your vote on some or all of the business matters, your proxy will vote 'FOR' these items. Also, your proxy is authorized to vote on any other business that properly comes before the Annual Meeting in accordance with the recommendation of the Board of Directors.

1

Q: CAN I CHANGE MY VOTE AFTER I RETURN MY PROXY CARD?

A: Yes. You may change your vote at any time before your shares are voted at the Annual Meeting by:

Notifying our Corporate Secretary, Patrick L. Donnelly, in writing at Sirius Satellite Radio Inc., 1221 Avenue of the Americas, 36th Floor, New York, New York 10020 that you are revoking your proxy;

Executing and delivering a later dated proxy card; or

Voting in person at the Annual Meeting.

However, if you have shares held through a brokerage firm, bank or other custodian, and you vote by proxy, you may revoke your proxy instructions only by informing the custodian in accordance with any procedures it has established.

Q: WHAT IS A QUORUM OF STOCKHOLDERS?

A: Shares representing the majority of votes, present or represented by proxy, constitute a quorum. If you vote by proxy card, your shares will be considered part of the quorum.

Q: WHAT VOTE IS REQUIRED TO APPROVE EACH ITEM?

A: Assuming a quorum of stockholders is present at the Annual Meeting, the affirmative vote of a plurality of all votes cast is required to elect each director and the affirmative vote of a majority of all the votes cast is needed to approve the appointment of Arthur Andersen LLP as our independent accountants.

Q: HOW DO YOU COUNT SHARES THAT AREN'T VOTED FOR THE NOMINEES FOR DIRECTOR, OR ABSTAIN ON ANY MATTER?

A: With respect to the election of directors, votes withheld will be treated as shares present for purposes of determining a quorum. Directors are elected by a plurality vote, so the five persons receiving the greatest number of votes will be elected and withheld votes will not affect the outcome of the election. With respect to the approval of Arthur Andersen LLP or any other matter properly brought before the meeting, abstentions will be treated as shares present for purposes of determining a quorum. Because a majority of the shares represented at the meeting and entitled to vote is required for approval of these matters, abstentions will have the same effect as a vote against approval.

Q: HOW DO YOU COUNT SHARES THAT ARE HELD BY BROKERS BUT NOT VOTED?

A: Valid proxies submitted by a broker or its nominee that are not voted on a matter or that are marked 'abstain' will be counted for purposes of determining a quorum at the Annual Meeting, but will not be considered as having voted on that matter.

Q: WHO WILL COUNT THE VOTES?

A: A representative of The Bank of New York, our transfer agent, will tabulate the votes and act as inspector of election.

Q: HOW DO I ATTEND THE ANNUAL MEETING?

A: If you are a registered stockholder, an admission ticket is enclosed with your proxy card. If you wish to attend the Annual Meeting, please vote your proxy but keep the admission ticket and bring it with you to the Annual Meeting.

If your shares are held in the name of a bank, broker or other holder of record and you wish to attend the Annual Meeting, you need to bring a copy of a bank or brokerage statement to the Annual Meeting reflecting your stock ownership as of the Record Date.

 Q: WHO IS SOLICITING MY PROXY AND WHO PAYS THE COST?

A: The Company is soliciting your proxy. The cost of soliciting proxies will be borne by the Company. The Company has engaged Georgeson Shareholder Communications to assist in the distribution and solicitation of proxies. We have agreed to pay Georgeson \$5,000 plus their reasonable out-of-pocket expenses. The Company will also reimburse brokerage firms, banks and other custodians for their reasonable out-of-pocket expenses for forwarding these proxy materials to you. Directors, officers and regular employees of the Company may solicit proxies on our behalf by telephone or in writing.

 Q: WHEN ARE THE STOCKHOLDER PROPOSALS DUE FOR NEXT YEAR'S ANNUAL MEETING?

A: To be eligible for inclusion in our proxy statement and form of proxy for next year's Annual Meeting, stockholder proposals must be submitted in writing by the close of business on April 18, 2001 to Patrick L. Donnelly, Senior Vice President, General Counsel and Secretary, Sirius Satellite Radio Inc., 36th Floor, 1221 Avenue of the Americas, New York, New York 10020.

If any proposal that is not submitted for inclusion in next year's proxy (as described in the preceding paragraph) is instead sought to be presented directly at next year's annual meeting, the proxies may vote in their discretion if (a) we receive notice of the proposal before the close of business on July 2, 2001 and advise stockholders in next year's proxy statement about the nature of the matter and how management intends to vote on such matter or (b) we do not receive notice of the proposal prior to the close of business on July 2, 2001. Notices of intention to present proposals at next year's annual meeting should be addressed to Patrick L. Donnelly, Senior Vice President, General Counsel and Secretary, Sirius Satellite Radio Inc., 1221 Avenue of the Americas, 36th Floor, New York, New York 10020.

BUSINESS MATTERS TO BE VOTED ON

ITEM 1. ELECTION OF DIRECTORS

Five directors will be elected at this year's Annual Meeting. Directors serve until the next annual meeting of stockholders or until the director is succeeded by another qualified director who has been elected. Each of the nominated directors has agreed to serve if elected. However, if for some reason one of them is unable to accept nomination or election, proxies will be voted for the election of a nominee designated by the Board of Directors. Biographical information for each of the nominees is presented below under the caption 'Nominees for the Board of Directors'.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE 'FOR' EACH OF THE NOMINEES.

ITEM 2. RATIFICATION OF INDEPENDENT ACCOUNTANTS

The Board of Directors has selected Arthur Andersen LLP ('Arthur Andersen') as our independent accountants for 2000. As such, Arthur Andersen will audit and report on our financial statements for the fiscal year ending December 31, 2000. During October 1998, we engaged Arthur Andersen to provide us tax consulting services.

Representatives of Arthur Andersen are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions.

PricewaterhouseCoopers LLP ('PricewaterhouseCoopers') were our independent accountants for our fiscal year ended December 31, 1998. On April 6, 1999, we dismissed PricewaterhouseCoopers. The decision to change accountants was approved by the Audit Committee of our Board of Directors.

During the fiscal years ended December 31, 1997 and December 31, 1998 and the period January 1, 1999 through April 6, 1999, there were no disagreements with PricewaterhouseCoopers on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of PricewaterhouseCoopers, would have caused them to make a reference to the subject matter of such disagreements in connection with their reports.

PricewaterhouseCoopers' report on our financial statements for the fiscal year ended December 31, 1998 was modified to include an explanatory paragraph as to our ability to continue as a going concern through December 31, 1999. This modification was due to the fact that we did not have the financial resources to meet our capital expenditure obligations through December 31, 1999. Otherwise, PricewaterhouseCoopers' reports on our financial statements for the fiscal years ended December 31, 1997 and December 31, 1998 did not contain an adverse opinion or disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principle.

In addition, the October 7, 1998 PricewaterhouseCoopers' reissued report on our financial statements for the fiscal year ended December 31, 1997 included an emphasis of a matter paragraph as to our ability to continue as a going concern through 1999. However, in view of the funds we raised through equity financings in the fourth quarter of 1998, PricewaterhouseCoopers subsequently revised their reissued report to remove the paragraph concerning this uncertainty.

We requested that PricewaterhouseCoopers furnish us with a letter addressed to the Securities and Exchange Commission stating whether it agrees with the above statements. A copy of that letter dated April 9, 1999 was filed as exhibit 16 to our Current Report on Form 8-K dated April 9, 1999.

Representatives of PricewaterhouseCoopers are not expected to be present at the Annual Meeting, to make a statement or to be available for questions.

4

Prior to engaging Arthur Andersen, neither we nor anyone acting on our behalf consulted with Arthur Andersen regarding the application of accounting principles to any specified transaction or the type of audit opinion that might be rendered on our financial statements, and neither a written report nor oral advice was provided to us that Arthur Andersen concluded was an important factor considered by us in reaching a decision as to any accounting, auditing or financial reporting issue. In addition, prior to engaging Arthur Andersen, neither we nor anyone acting on our behalf consulted with Arthur Andersen with respect to any matter that was either the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K) or a reportable event (as described in Item 304(a)(1)(v) of Regulation S-K).

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE 'FOR' THIS ITEM.

ITEM 3. OTHER MATTERS

The Board of Directors does not intend to present, or have any reason to believe others will present, any items of business other than those stated above. If other matters are properly brought before the Annual Meeting, the persons named in the accompanying proxy will vote the shares represented by it in accordance with the recommendation of the Board of Directors.

VOTING TRUST AGREEMENT

We are a party to a voting trust agreement dated August 26, 1997 by and among Darlene Friedland, as grantor, David Margolese, as the voting trustee, and us. The following summary description of the Voting Trust Agreement does not purport to be complete and is qualified in its entirety by reference to the complete text of the agreement.

The Voting Trust Agreement provides for the establishment of a trust (the 'Trust') into which (i) there has been deposited all of the shares of Common Stock owned by Mrs. Friedland on August 26, 1997 and (ii) there shall be deposited any shares of Common Stock acquired by Mrs. Friedland, her spouse Robert Friedland, any member of either of their immediate families or any entity directly or indirectly controlled by Mrs. Friedland, her spouse or any member of their immediate families (the 'Friedland Affiliates') between the date shares are initially deposited and the termination of the Trust. The Voting Trust will terminate on November 20, 2002.

The Voting Trust Agreement does not restrict the ability of Mrs. Friedland or any of the Friedland Affiliates to sell, assign, transfer or pledge any of the shares deposited into the Trust, nor does it prohibit Mrs. Friedland or the Friedland Affiliates from purchasing additional shares of our Common Stock, provided those shares become subject to the Trust.

Under the Voting Trust Agreement, the trustee has the power to vote shares held in the Trust in relation to any matter upon which the holders of such stock would have a right to vote, including without limitation the election of directors. For so long as David Margolese remains trustee of the Trust, he may exercise such voting rights in his discretion. Any successor trustee or trustees of the Trust must vote as follows:

on the election of directors, the trustee(s) must vote the entire number of shares held by the Trust, with the number of shares voted for each director (or nominee for director) determined by multiplying the total number of votes held by the Trust by a fraction, the numerator of which is the number of votes cast for such person by other stockholders of the Company and the denominator of which is the sum of the total number of votes represented by all shares casting any votes in the election of directors;

if the matter under Delaware law or our Certificate of Incorporation or our Bylaws requires at least an absolute majority of all outstanding shares of Common Stock in order to be approved, the trustee(s) must vote all of the shares in the Trust in the same manner as the majority of all votes that are cast for or against the matter by all other stockholders of the Company; and

on all other matters, including, without limitation, any amendment of the Voting Trust Agreement for which a stockholder vote is required, the trustee(s) must vote all of the shares in the Trust for or against the matter in the same manner as all votes that are cast for or against the matter by all other stockholders of the Company.

The Voting Trust Agreement may not be amended without our prior written consent, acting by unanimous vote of the Board of Directors, and approval of our stockholders, acting by the affirmative vote of two-thirds of the total voting power of the Company, except in certain limited circumstances where amendments to the Voting Trust Agreement are required to comply with applicable law.

EMPLOYMENT AGREEMENTS

We are a party to an employment agreement with each of Messrs. Margolese, Briskman, Capobianco and Donnelly (the 'Employment Agreements').

MR. MARGOLESE

Effective January 1, 1999, we entered into a agreement to employ David Margolese as our Chairman and Chief Executive Officer for a term of five years. The employment agreement provides for an annual base salary of \$500,000 in 2000 and increases of \$50,000 for each year thereafter. We also granted to Mr. Margolese an option to purchase 1,800,000 shares of Common Stock at \$31.25 per share, of which options to purchase 1,320,000 shares of Common Stock are fully vested and exercisable. On January 2, 2001, the 480,000 remaining unvested options will vest and become exercisable. Any unvested options will vest and become exercisable upon the termination of Mr. Margolese's employment for any reason other than 'Cause' (as defined in the Employment Agreement). If Mr. Margolese is terminated without 'Cause' or resigns for 'Good Reason' (each defined in the Employment Agreement), we are obligated to pay Mr. Margolese the sum of \$5,000,000. If following the occurrence of a 'Change of Control' (as defined in the Employment Agreement), Mr. Margolese is terminated for any reason (including resignation by Mr. Margolese for Good Reason), we are obligated to pay to Mr. Margolese the sum of \$8,000,000 plus an amount equal to any excise taxes Mr. Margolese is required to pay solely as a result of the acceleration of the vesting of options and such additional amounts as are necessary to place Mr. Margolese in the same financial position he would have been in if such excise taxes were not imposed. Under the terms of the Employment Agreement, Mr. Margolese may not (a) disclose any of our proprietary information or (b) during his employment with us and for two years thereafter, engage in any business involving the transmission of radio entertainment programming in North America.

MR. BRISKMAN

Effective December 31, 1999, we entered into an agreement to employ Robert D. Briskman as Executive Vice President, Engineering, until his retirement in February 2001. Pursuant to this agreement, we pay Mr. Briskman an annualized base salary of \$310,000. If Mr. Briskman's employment

is terminated for any reason, other than 'Cause' (as defined in the Employment Agreement), we are obligated to pay to Mr. Briskman a sum equal to 50% of his then annual salary. Under this agreement, Mr. Briskman may not disclose any of our proprietary information during his employment with us or, for two years following the termination of his employment or, in the event he has been terminated without 'Cause' or has resigned for 'Good Reason' (each as defined in the Employment Agreement), for one year following such termination without Cause or resignation for Good Reason, enter into the employment of, render services to, or otherwise assist, any person or entity engaged in any operations in North America involving the transmission of radio entertainment programming in competition with us or that competes, or is likely to compete, with any other aspect of our business as conducted on the date his employment terminates. Under the terms of this agreement, we have also agreed to provide Mr. Briskman and his wife medical insurance, on the same terms as they are receiving such insurance on the date of Mr. Briskman's retirement, for the rest of their lives.

Upon Mr. Briskman's retirement in February 2001, we will enter into a three year consulting agreement with Mr. Briskman. Under this consulting agreement, Mr. Briskman will be paid a consulting fee of \$15,000 per month.

MESSRS. CAPOBIANCO AND DONNELLY

On March 28, 2000, we entered into employment agreements with Joseph S. Capobianco to serve as Senior Vice President, Content, and Patrick L. Donnelly, to serve as Senior Vice President, General Counsel and Secretary. The agreement

with Mr. Capobianco replaced a previous employment agreement expiring on April 16, 2000 and the agreement with Mr. Donnelly replaced a previous employment agreement expiring on May 18, 2001. Both of these agreements have a term of three years.

Pursuant to these agreements, we pay Mr. Capobianco an annualized base salary of \$275,000 and Mr. Donnelly an annualized base salary of \$290,000. These base salaries are subject to increase from time to time by the Board of Directors. Pursuant to these agreements, if the executive's employment is terminated, except by us for 'Cause' (as defined in the Employment Agreements) or by the executive voluntarily, we are obligated to pay him an amount equal to the sum of his annual salary and the annual bonus last paid to him. Under these agreements, neither Mr. Capobianco nor Mr. Donnelly may disclose any of our proprietary information or, for two years following the termination of his employment (or, in the event he has been terminated without Cause or has resigned for 'Good Reason' (as defined in the Employment Agreements), for one year following such termination without Cause or resignation for 'Good Reason'), enter into the employment of, render services to or otherwise assist certain of our competitors.

REPORT OF COMPENSATION COMMITTEE

The Compensation Committee of the Board of Directors (the 'Committee') is comprised solely of directors who are not current or former employees of the Company. The Committee is responsible for overseeing and administering our executive compensation programs. The Committee reviews, monitors and approves executive compensation, establishes compensation guidelines for corporate officers and administers our stock option plans.

COMPENSATION PHILOSOPHY

Our compensation philosophy is premised upon the belief that our employees are our most valuable asset. Our executive officers are charged with directing our strategic planning, managing the

14

growth of our organization, overseeing the completion of our infrastructure and have overall responsibility for our results. We have planned and implemented a compensation structure intended to attract and retain highly talented individuals, energize and reward the creativity of our executive officers in achieving our stated milestones, and provide incentives to our executive officers to execute our objectives and enhance stockholder value by achieving short term and long term business objectives.

COMPENSATION PROGRAM

Our compensation program has to date consisted of base salary and long term incentive compensation comprised exclusively of the stock options under our stock option plans.

BASE SALARIES

The base salaries paid to each of our executive officers during 1999 were paid pursuant to written employment agreements described herein under 'Executive Compensation -- Employment Agreements'. The Committee reviews and considers base salary adjustments for each of our executive officers annually based on recommendations from management and considerations relating to the respective officers' individual performances, the responsibilities of their positions and their competitive positions vis-a-vis executives of other high performing companies. Salary increases during fiscal year 1999 were based on these criteria. During 1999, at the recommendation of our Chief Executive Officer, Mr. Briskman's annual salary was increased from \$280,000 to \$310,000, Mr. Capobianco's annual salary was increased from \$230,000 to \$250,000, Mr. Donnelly's annual salary was increased from \$260,000 to \$290,000 and Mr. Bahr's salary was increased from \$225,000 to \$280,000.

Except as to the compensation reflected in the Employment Agreement between us and Mr. Margolese effective as of January 1, 1999, we have not sought to position executive compensation within any particular range as compared to any stated peer group.

LONG-TERM INCENTIVES

We provide long-term incentives through stock options granted to our executive officers under our stock option plans. The Committee believes that the potential for stock ownership by executives and other employees is the most effective method by which the interests of management may be aligned with those of other stockholders. The options granted typically vest over four years, have

a term of ten years and have an exercise price equal to the fair market value of our Common Stock on the grant date.

In March 1999, the Committee awarded Mr. Briskman 60,000 stock options, Mr. Bahr 100,000 stock options, Mr. Capobianco 40,000 stock options and Mr. Donnelly 90,000 stock options. These options have a ten year term and an exercise price of \$23.75. In June 1999, the Committee awarded Mr. Bahr an additional 50,000 options. These options have a ten year term and an exercise price of \$29.125. In December 1999, the Committee awarded Mr. Briskman an additional 90,000 stock options, Mr. Bahr an additional 125,000 stock options, Mr. Capobianco an additional 60,000 stock options and Mr. Donnelly an additional 125,000 stock options. These options have a ten year term and an exercise price of \$30.50. The number of options granted by the Committee to each executive officer during 1999 was based upon such criteria as anticipated achievement, responsibilities, performance, experience and future potential, as well as an awareness of the financial incentives required to retain the quality of executive management essential to the attainment of our strategic and financial objectives.

The Committee has authorized executive management to grant stock options to employees below the executive officer level on an annual basis according to performance guidelines intended to be

15

competitive with comparable companies and to reward individual achievement appropriately. Our executive officers do not receive annual stock option grants under this program.

ANNUAL BONUS/SHORT-TERM INCENTIVES

To date, we have not implemented any plan or program of annual cash bonuses or other similar short-term incentive awards, other than the awarding of certain cash bonuses to our employees upon the receipt of patent grants. In February 2000, we paid Mr. Margolese a bonus of \$500,000, Mr. Briskman a bonus of \$100,000, Mr. Bahr a bonus of \$280,000, Mr. Capobianco a bonus of \$150,000 and Mr. Donnelly a bonus of \$290,000. Each of these bonuses was awarded by the Board in recognition of the executive's efforts in securing our alliances with DaimlerChrysler and BMW. As we complete our infrastructure build-out and commence operations, the Board of Directors expects to pay annual bonuses to our executives officers based upon satisfaction of business objectives.

COMPENSATION OF OUR CHAIRMAN AND CHIEF EXECUTIVE OFFICER

In 1998, the Committee negotiated, and we entered into, a new employment agreement with Mr. Margolese, our Chairman and Chief Executive Officer, effective as of January 1, 1999. (Mr. Margolese's prior employment agreement expired on December 31, 1998.) The specific terms of this agreement are described in detail in this proxy statement in the section titled 'Executive Compensation -- Employment Agreements'. The Committee engaged an independent compensation consultant to assist it in the process of determining appropriate compensation for Mr. Margolese. This consultant identified for the Committee peer companies within the telecommunications and technologies industries whose CEO compensation arrangements served as comparative compensation standards against which the Committee measured the compensation package (comprised of annual base salary and stock options) agreed to with Mr. Margolese. Mr. Margolese's base salary structure under this new agreement includes annual increases of \$50,000 per year, commencing with a base salary of \$450,000 in 1999 and increasing \$50,000 per year over the five-year term of the agreement. This stepped program of annual base salary increases fell within the median parameter of the peer group data provided by the consultant. The stock option grants included within this compensation package reflect the upper end of the survey data for the peer companies. Nonetheless, after due consideration of this competitive data, Mr. Margolese's performance in achieving our goals and objectives to date, the level of his management responsibilities and the clear importance to our future success of retaining the services of Mr. Margolese, the Committee concluded that the stock options granted to Mr. Margolese under this agreement constituted an appropriate recognition of past performance and an important incentive for his continuing contributions toward the achievement of such success.

POLICY WITH RESPECT TO INTERNAL REVENUE CODE SECTION 162(m)

Section 162(m) of the Code places a \$1 million per person limitation on the tax deduction we may take for compensation paid to our Chief Executive Officer and our four other highest paid executive officers, except that compensation constituting performance-based compensation, as defined by the Code, is not subject to the \$1 million limit. The Committee generally intends to grant awards under our stock option plans consistent with the terms of Section 162(m) so that such awards will not be subject to the \$1 million limit. In other respects, the

Committee expects to take actions in the future that may be necessary to preserve the deductibility of executive compensation to the extent reasonably practicable and consistent with other objectives of our compensation program. However, the Committee reserves the discretion to pay compensation that does not qualify for exemption under Section 162(m) where the

16

Committee believes such action to be in the best interest of the Company and its stockholders. The Committee believes that the compensation terms of Mr. Margolese's Employment Agreement that would take effect upon his termination without 'Cause' or his resignation for 'Good Reason' will qualify as a tax-deductible expense under Section 162(m). The terms of such agreement which would take effect on a 'Change of Control' will result in compensation exceeding the deductibility limit.

SUMMARY

The Committee believes that our compensation programs are well structured to encourage attainment of objectives and to foster a stockholder perspective in management through potential stock ownership. The Committee believes, further, that the awards made in 1999 were competitive, appropriate and in our stockholders long-term interests.
