As promptly as possible following the execution of this Agreement, the Company shall seek to obtain approval of the Contemplated Transactions from its stockholders and, in connection therewith, shall make such filings and prepare and distribute to its stockholders such documents as shall be necessary to complete the Contemplated Transactions.

5.6 Amendment to Rights Agreement and Board Approval. The Company hereby covenants and agrees with the Purchaser that on or before the Closing Date it shall (a) amend the Rights Agreement, dated as of October 22, 1997 (the "Rights Agreement"), between the Company and Continental Stock Transfer & Trust Company, as rights agent, to render the Rights Agreement inapplicable to the Contemplated Transactions and permit the Purchaser, and any other Person deemed to "Beneficially Own" the shares of Common Stock owned by the Purchaser (within the meaning of the Rights Agreement), to purchase and own up to an additional 1% of the outstanding shares of Common Stock without the Purchaser becoming an "Acquiring Person" under the Rights Agreement and (b) take all action necessary to cause the restrictions contained in Section 203 of the Delaware General Corporation Law to be inapplicable to the Contemplated Transactions and to approve the Purchaser becoming an "interested stockholder" within the meaning of Section 203 of the Delaware General Corporation Law.

ARTICLE 6

LOCK-UP AGREEMENTS

At any time prior to the earlier of (a) October 1, 2001 and (b) the date that the Purchaser ceases to beneficially own 10% or more of the Common Stock, the Company and its underwriters, by written notice from the Company and its lead underwriter to the Purchaser (a "Lock-up Request"), given as provided herein on or after the time of the initial filing with the Commission of any registration statement (other than a registration statement relating to an offering described in Section 9.1) with respect to any offering of Common Stock or securities convertible into Common Stock (the "Offering"), may request that the Purchaser agree not to offer, sell or transfer any of the Purchased Shares, or engage in any hedging transactions with respect to the Purchased Shares, during the 180-day period (the "Lock-up Period") beginning on a date specified in the Lock-up Request, which date may be as early as five (5) Business Days prior to the expected effective date (but no later than the effective date) with respect to the registration statement for the Offering, and the Purchaser agrees to consent to and be bound by the restrictions specified in any such Lock-up Request; provided, however, that such a lock-up agreement with respect to any

Offering shall not prevent Purchaser from selling Purchased Shares which it is entitled to sell in such Offering pursuant to Section 9.2 if it shall have made the request specified therein. The Company shall specify the expected effective date of any Offering by notice to the Purchaser given not later than two (2) Business Days prior to the beginning of the Lock-up Period. The Purchaser shall cause each Person to whom it Transfers, in one or a series of related transactions, 1,000,000 or more shares of Common Stock to execute and deliver to the Company a letter agreement pursuant to which such transferee agrees (and to cause each other Person to whom it Transfers any shares of Common Stock if, after giving effect to such Transfer, such Person, together with its Affiliates, would beneficially own 1,000,000 or more shares of Common Stock to execute and deliver to the Company a similar letter agreement) to comply with the requirements of this Article 6 (including this sentence) to the same extent and subject to the same terms and conditions as the Purchaser.

ARTICLE 7

CONDITIONS PRECEDENT TO THE OBLIGATION OF THE PURCHASER TO CLOSE

The obligation of the Purchaser to enter into and complete the Closing is subject, at the option of the Purchaser acting in accordance with the provisions of Article 10 with respect to termination of this Agreement, to the fulfillment on or prior to the Closing Date of the following conditions, any one or more of which may be waived by the Purchaser:

13

7.1 Representations and Covenants. The representations and warranties of the Company contained in this Agreement shall be true in all material respects on and as of the Closing Date with the same force and effect as though made on and as of the Closing Date; the Company shall have performed and complied with all covenants and agreements required by this Agreement to be performed or complied with by the Company on or prior to the Closing Date; and the Company shall have delivered to the Purchaser a certificate, dated the date of the Closing and signed by an executive officer of the Company, to the foregoing effect.

7.2 Consents and Approvals. All Required Consents shall have been obtained and be in full force and effect, and the Purchaser shall have been furnished with evidence reasonably satisfactory to it that such Required Consents have been granted and obtained.

7.3 Opinion of Counsel to the Company. The Purchaser shall have received the legal opinion of Paul, Weiss, Rifkind, Wharton & Garrison, counsel to the Company, dated the date of the Closing, addressed to the Purchaser, to the effect set forth in Exhibit A.

7.4 HSR Act. Any Person required in connection with the Contemplated Transactions to file a notification and report form in compliance with the HSR Act shall have filed such form and the applicable waiting period with respect to each such form (including any extension thereof by reason of a request for additional information) shall have expired or been terminated.

7.5 No Claims. No Claims shall be pending before any Governmental Authority (including investigations instituted by the United States Department of Justice or the Federal Trade Commission in connection with antitrust regulations) to restrain or prohibit this Agreement or the consummation of the Contemplated Transactions.

ARTICLE 8

CONDITIONS PRECEDENT TO THE OBLIGATION OF THE COMPANY TO CLOSE

The obligation of the Company to enter into and complete the Closing is subject, at the option of the Company acting in accordance with the provisions of Article 10 with respect to termination of this Agreement, to the fulfillment on or prior to the Closing Date of the following conditions, any one or more of which may be waived by the Company:

8.1 Representations and Covenants. The representations and warranties of the Purchaser contained in this Agreement shall be true in all material respects on and as of the Closing Date with the same force and effect as though made

14

on and as of the Closing Date; the Purchaser shall have performed and complied with all covenants and agreements required by this Agreement to be performed or complied with by it on or prior to the Closing Date; and the Purchaser shall have delivered to the Company a certificate, dated the date of the Closing and signed by a general partner of the Purchaser, to the foregoing effect.

8.2 Consents and Approvals. All Required Consents shall have been

obtained and be in full force and effect.

8.3 HSR Act. Any Person required in connection with the Contemplated Transactions to file a notification and report form in compliance with the HSR Act shall have filed such form and the applicable waiting period with respect to each such form (including any extension thereof by reason of a request for additional information) shall have expired or been terminated.

8.4 No Claims. No Claims shall be pending before any Governmental Authority (including investigations instituted by the United States Department of Justice or the Federal Trade Commission in connection with antitrust regulations) to restrain or prohibit this Agreement or the consummation of the Contemplated Transactions.

ARTICLE 9

REGISTRATION RIGHTS

9.1 Requested Registration. If the Company shall receive from the Purchaser, at any time after October 1, 2000, a written request (which shall specify whether the distribution will be made by means of an underwriting) that the Company effect any registration with respect to all or a part of the Purchased Shares that constitute Registrable Securities (a "Demand Notice"), which Demand Notice shall request registration of not less than 1,000,000 shares of Common Stock or all remaining shares of Common Stock then held by the Purchaser, the Company will, as soon as practicable, use its best efforts to effect such registration as may be so requested and as would permit or facilitate the sale and distribution of the Purchased Shares as are specified in such request. After the Company has effected two (2) such registrations pursuant to this Section 9.1 and such registration has been declared effective and the distribution contemplated thereunder completed, the Company shall have no further obligation under this Section 9.1. Notwithstanding the foregoing, if the Company shall furnish to the Purchaser a certificate signed by the President or the Chief Executive Officer of the Company stating that in the good faith judgment of the Board of Directors of the Company, it would be seriously detrimental to the Company and its stockholders for such registration statement to be filed and it is therefore desirable and in the best interests of the Company to defer the filing of such registration statement, then the Company shall have the right to defer such filing for a period of not more than 90 days after receipt of the request of the Purchaser.

15

9.2 Company Registration. (a) If the Company shall determine to register any shares of Common Stock for the account of a security holder or holders (other than a registration relating solely to employee benefit plans, or a registration relating solely to a Commission Rule 145 transaction, or a registration on any registration form which does not permit secondary sales or does not include substantially the same information as would be required to be included in a registration statement covering the sale of Purchased Shares), the Company will promptly give to the Purchaser a written notice thereof and include in such registration, and in any underwriting involved therein, all the Purchased Shares that constitute Registrable Securities specified in a written request made by the Purchaser within ten Business Days after receipt of the written notice from the Company described above. The Purchaser shall be entitled to have its shares included in an unlimited number of registrations pursuant to Section 9.2.

(b) If the registration of which the Company gives notice is for a registered public offering involving an underwriting, the Company shall so advise the Purchaser as a part of the written notice given pursuant to Section 9.2(a). In such event, the right of the Purchaser to registration pursuant to Section 9.2(a) shall be conditioned upon the Purchaser's participation in such underwriting and the inclusion of the Purchased Shares in the underwriting to the extent provided herein. If the Purchaser shall have elected to exercise its rights under Section 9.2(a), it shall enter into an underwriting agreement in customary form with the representative of the underwriter or underwriters selected for underwriting by the Company. Notwithstanding any other provision of this Section 9.2, if the representative determines and so advises the Company in writing that marketing factors require a limitation on the number of shares to be underwritten, the Company shall so advise the Purchaser. In such an event, the number of Purchased Shares that may be included in the registration and underwriting by the Purchaser shall be reduced, on a pro rata basis (based on the number of shares held by the Purchaser and each other Person (other than the Company) registering shares under such registration), by such minimum number of shares as is necessary to comply with such limitation. If the Purchaser disapproves of the terms of any such underwriting, it may elect to withdraw therefrom by written notice to the Company and the underwriter. Any Purchased Shares excluded or withdrawn from such underwriting shall be withdrawn from such registration.

9.3 Transferability. The registration rights granted pursuant to this Article 9 shall be assignable, in whole but not in part, to any Transferee of the Purchased Shares; provided, however, that the rights granted under Section 9.1 shall be assignable only to a Transferee who, after giving effect to such

Transfer, beneficially owns at least 1,000,000 shares of Common Stock.

9.4 Expenses of Registration. All Registration Expenses incurred in connection with any registration, qualification or compliance pursuant to this Article 9 shall be borne by the Company, and all Selling Expenses shall be borne by the Purchaser.

16

9.5 Registration Procedures. In the case of each registration effected by the Company pursuant to Article 9, the Company will:

(a) furnish to the Purchaser prior to the filing of the requisite Registration Statement copies of drafts of such Registration Statement as is proposed to be filed, and thereafter such number of copies of such Registration Statement, each amendment and supplement thereto (in each case including all exhibits thereto), the Prospectus included in such Registration Statement (including each preliminary prospectus) and such other documents in such quantities as the Purchaser may reasonably request from time to time in order to facilitate its distribution;

(b) notify the Purchaser promptly of any request by the Commission for the amending or supplementing of such Registration Statement or Prospectus or for additional information;

(c) advise the Purchaser promptly after the Company shall receive notice or obtain knowledge of the issuance of any stop order by the Commission suspending the effectiveness of any such Registration Statement or amendment thereto or of the initiation or threatening of any proceeding for that purpose, and promptly use its best efforts to prevent the issuance of any stop order or to obtain its withdrawal promptly if such stop order should be issued;

(d) use all reasonable efforts to register or qualify the Purchased Shares under such other securities or blue sky laws of such jurisdictions as the Purchaser (or the managing underwriter, in the case of underwritten offerings) reasonably requests; provided that the Company shall not be required to qualify to do business or become subject to service of process or taxation in any jurisdiction in which it is not already so qualified or subject;

(e) use all reasonable efforts to cause the Purchased Shares included in the Registration Statement to be listed on a securities exchange or authorized for quotation on a national quotation system on which any of the Common Stock is then listed;

(f) notify the Purchaser, at any time when a prospectus relating to the proposed sale is required to be delivered under the Securities Act, of the happening of any event as a result of which the Prospectus included in such Registration Statement or amendment contains an untrue statement of a material fact or omits to state any material fact required to be stated therein in order to make the statements therein, in light of the circumstances under which they were made, not misleading, and the Company will prepare a supplement or amendment to such Prospectus so that, as thereafter delivered to the purchasers of the Purchased Shares, such Prospectus will not contain an untrue statement of a material fact or omit to state any material fact required to be stated therein in order to make the statements therein, in light of the circumstances under which they were made, not misleading;

17

(g) enter into customary agreements (including without limitation, an underwriting agreement in customary form) and take such other actions as are reasonably required in order to expedite or facilitate the disposition of the Purchased Shares included in the Registration Statement; and

(h) in the case of a Registration Statement filed pursuant to Section 9.1 involving a shelf Registration Statement, prepare and file with the Commission such amendments and supplements to such shelf Registration Statement and the Prospectus used in connection therewith as may be necessary to keep such shelf Registration Statement effective until the earlier of (i) the sale of all Registrable Securities covered thereby or (ii) three years (exclusive of any period during which the distribution is postponed pursuant to Section 9.1), and to comply with the provisions of the Securities Act with respect to the sale or other disposition of all Registrable Securities covered by such Registration Statement.

9.6 Indemnification. (a) The Company will indemnify the Purchaser, each of its officers and directors, and each person controlling the Purchaser within the meaning of Section 15 of the Securities Act and the rules and regulations thereunder, with respect to each registration which has been effected pursuant to this Article 9, and each underwriter, if any, and each person who controls any underwriter within the meaning of Section 15 of the Securities Act and the rules and regulations thereunder, against all claims, losses, damages and liabilities (or actions in respect thereof) arising out of or based on any untrue statement (or alleged untrue statement) of a material fact contained in any Prospectus or other document (including any related registration statement,

notification or the like) incident to any such registration, qualification or compliance, or based on any omission (or alleged omission) to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, or any violation by the Company of the Securities Act or any rule or regulation thereunder applicable to the Company and relating to action or inaction required of the Company in connection with any such registration, qualification or compliance, and will reimburse the Purchaser, each of its officers and directors, and each person controlling the Purchaser, each such underwriter and each person who controls any such underwriter, for any legal and any other expenses reasonably incurred in connection with investigating and defending any such claim, loss, damage, liability or action, provided that the Company will not be liable in any such case to the extent that any such claim, loss, damage, liability or expense arises out of or is based on any untrue statement or omission based upon written information furnished to the Company by the Purchaser with respect to the Purchaser and stated to be specifically for use therein.

(b) The Purchaser will, if Purchased Shares held by it are included in the securities as to which such registration, qualification or compliance is being effected, indemnify the Company, each of its directors and officers and each underwriter, if any, of the Company's securities covered by such a registration statement, each person who controls the Company or such underwriter within the meaning of Section 15 of the Securities Act and the rules and regulations thereunder,

18

against all claims, losses, damages and liabilities (or actions in respect thereof) arising out of or based on any untrue statement (or alleged untrue statement) of a material fact with respect to the Purchaser contained in any such registration statement, prospectus or other document made by the Purchaser, or any omission (or alleged omission) to state therein a material fact with respect to the Purchaser required to be stated therein or necessary to make the statements by the Purchaser therein not misleading, and will reimburse the Company and such other directors, officers, partners, persons, underwriters or control persons for any legal or any other expenses reasonably incurred in connection with investigating or defending any such claim, loss, damage, liability or action, in each case to the extent, but only to the extent, that such untrue statement (or alleged untrue statement) or omission (or alleged omission) is made in such registration statement, prospectus or other document in reliance upon and in conformity with written information furnished to the Company by the Purchaser with respect to the Purchaser and stated to be specifically for use therein; provided, however, that the obligations of the Purchaser hereunder shall be limited to an amount equal to the proceeds to the Purchaser of securities sold as contemplated herein.

(c) If the indemnification provided for in this Section 9.6 is held by a court of competent jurisdiction to be unavailable to an indemnified party with respect to any loss, liability, claim, damage or expense referred to herein, then the indemnifying party, in lieu of indemnifying such indemnified party hereunder, shall contribute to the amount paid or payable by such indemnified party as a result of such loss, liability, claim, damage or expense in such proportion as is appropriate to reflect the relative fault of the indemnifying party on the one hand and of the indemnified party on the other in connection with the statements or omissions which resulted in such loss, liability, claim, damage or expense, as well as any other relevant equitable considerations. The relative fault of the indemnifying party and of the indemnified party shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission to state a material fact relates to information supplied by the indemnifying party or by the indemnified party and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

ARTICLE 10

TERMINATION OF AGREEMENT

10.1 Termination. This Agreement may be terminated prior to the Closing as follows:

(a) at the election of the Purchaser, if any one or more of the conditions to the obligation of the Purchaser to close set forth in Article 7 has not been fulfilled as of March 31, 1999;

19

(b) at the election of the Company, if any one or more of the conditions to the obligation of the Company to close set forth in Article 8 has not been fulfilled as of March 31, 1999;

(c) at the election of the Company or the Purchaser, if any legal proceeding is commenced and pending by any Governmental Authority seeking to prevent the consummation of the Closing or any other Contemplated Transaction and the Company or the Purchaser, as the case may be, reasonably and in good

faith deems it impracticable or inadvisable to proceed in view of such legal proceeding;

(d) at the election of the Company, if the Purchaser has breached any material representation, warranty, covenant or agreement contained in this Agreement, which breach cannot be or is not cured by March 31, 1999;

(e) at the election of the Purchaser, if the Company has breached any material representation, warranty, covenant or agreement contained in this Agreement, which breach cannot be or is not cured by March 31, 1999;

(f) at the election of the Purchaser, if the Closing Date shall not have occurred by March 31, 1999; or

(g) at any time on or prior to the Closing Date, by mutual written consent of the Company and the Purchaser.

If this Agreement so terminates, it shall become null and void and have no further force or effect, except as provided in Section 10.2.

10.2 Survival After Termination. If this Agreement terminates pursuant to Section 10.1 and the Contemplated Transactions are not consummated, this Agreement shall become null and void and have no further force or effect, except that any such termination shall be without prejudice to the rights of any party on account of the nonsatisfaction of the conditions set forth in Articles 7 and 8 resulting from the intentional or willful breach or violation of the representations, warranties, covenants or agreements of another party under this Agreement. Notwithstanding anything in this Agreement to the contrary, the provisions of Sections 5.3, this Section 10.2 and Article 11 shall survive any termination of this Agreement.

AMENDMENT TO RIGHTS AGREEMENT

AMENDMENT, dated October 13, 1998 (this "Amendment"), by and between CD RADIO INC., a Delaware corporation (the "Company"), and CONTINENTAL STOCK TRANSFER & TRUST COMPANY (the "Rights Agent").

RECITALS

WHEREAS, the Company and the Rights Agent are parties to a Rights Agreement, dated as of October 22, 1997 (the "Rights Agreement");

WHEREAS, the Company proposes to issue and sell 5,000,000 shares of its common stock, par value \$.001 per share ("Common Shares"), to Prime 66 Partners, L.P., a Texas limited partnership controlled by Sid Bass (the "Purchaser"), pursuant to a Stock Purchase Agreement, dated as of October 8, 1998 (the "Agreement"), by and between the Company and the Purchaser;

WHEREAS, under the terms of the Rights Agreement, unless the Rights Agreement is amended, the Purchaser would become an "Acquiring Person," as defined in Section 1(a) of the Rights Agreement, upon the purchase of the Common Shares pursuant to the Agreement; and

WHEREAS, the Board of Directors of the Company deems it desirable and in the best interests of the Company and its stockholders to amend the Rights Agreement to exclude the Purchaser and any of the Purchaser's Affiliates and Associates who would otherwise be deemed Beneficial Owners (as defined in the Rights Agreement) as a result of such transaction from such definition of "Acquiring Person."

2

Accordingly, the parties agree as follows:

1. AMENDMENT OF SECTION 1(A). The definition of "Acquiring Person" set forth in paragraph 1(a) of the Rights Agreement is amended, effective upon the Closing Date (as defined in the Agreement), by adding the following clause at the end of such Section 1(a):

"; provided, further, that Prime 66 Partners, L.P., a Texas limited partnership (hereinafter referred to as "Prime"), and any of Prime's Affiliates or Associates that would otherwise be deemed to be Beneficial Owners of the Acquired Common Shares (as defined below) shall not be, or be deemed to be, an Acquiring Person solely by reason of the purchase by Prime of 5,000,000 Common Shares (the "Acquired Common Shares") pursuant to the Stock Purchase Agreement dated as of October 8, 1998 by and between Prime and the Company, unless and until Prime and/or any of such Affiliates or Associates shall become the Beneficial Owner or Beneficial Owners of an additional one percent (1%) or more of the outstanding Common Shares."

2. MISCELLANEOUS. This Amendment shall be deemed to be a contract made under the laws of the State of Delaware and for all purposes shall be governed by and construed in accordance with the laws of such state applicable to contracts to be made and performed entirely within such state. This Amendment may be executed in any number of counterparts, each of such counterparts shall for all purposes be deemed to be an original, and all such counterparts shall together constitute but one and the same instrument. If any provision, covenant or restriction of this Amendment is held by a court of competent jurisdiction or other authority to

3

be invalid, illegal or unenforceable, the remainder of the terms, provisions, covenants and restrictions of this Amendment shall remain in full force and effect and shall in no way be effected, impaired or invalidated.

Bass Group Invests \$100 Million in CD Radio

New York, N.Y. - October 13, 1998 - CD Radio Inc. (Nasdaq: CDRD) today announced that Prime 66 Partners, L.P. will acquire a \$100 million interest in the Company. Upon completion of the transaction, Prime 66 Partners, L.P., a Texas limited partnership formed in 1997 and composed of persons and entities associated with Mr. Sid R. Bass of Fort Worth, Texas, will own 5 million shares, or approximately 20%, of CD Radio's common stock. The transaction is subject to antitrust approval and is expected to close in early November.

CD Radio is building a digital satellite radio system for the broadcast of 100 channels of music and other programming to motorists throughout the United States. Scheduled for launch in early 2000, CD Radio will broadcast 50 channels of commercial-free music and 50 channels of news, sports and entertainment programming for a total monthly subscription fee of \$9.95.

CD Radio's programming will originate at its national broadcast studio in New York City and be uplinked to the Company's three satellites. These satellites are currently under construction at Space Systems/Loral and are scheduled for launch beginning in late 1999. Initially, consumers will receive CD Radio's broadcasts through a two- inch satellite dish affixed to their car's rear windshield. This signal will be relayed wirelessly to a plug-and-play adapter that will fit into a vehicle's existing cassette or CD slot. New CD Radio-ready aftermarket radios are also expected to be available.

The majority of CD Radio's planned programming formats are generally unavailable on radio stations in any single market. Furthermore, unlike conventional stations, which have an average range of approximately 30 miles before reception fades, CD Radio's signal is designed to cover the continental United States coast to coast. More information on CD Radio is available at www.cdradio.com.

Any statements that express, or involve discussions as to, expectations, beliefs, plans, objectives, assumptions or future events or performance are not historical facts and may be forward-looking and, accordingly, such statements involve estimates, assumptions and uncertainties which could cause actual results to differ materially from those expressed in the forward-looking statements. Among the key factors that have a direct bearing on CD Radio's results of operations are the potential risk of delay in implementing CD Radio's business plan; increased costs of construction and launch of necessary satellites; dependence on satellite construction and launch contractors; risk of launch failure; unproven market and unproven applications of existing technology; and CD Radio's need for substantial additional financing. Accordingly, any such statements are qualified in their entirety by reference to, and are accompanied by, the factors discussed in CD Radio's Annual Report on Form 10- K for the year ended December 31, 1997.
