in respect of

This Report on Schedule 13D relates to the shares of common stock, par value \$0.001 per share (the "Common Stock"), of Sirius XM Radio Inc., a Delaware corporation (the "Issuer"). The Schedule 13D originally filed with the Securities and Exchange Commission by Liberty Media Corporation, a Delaware corporation (the "Reporting Person" or "Liberty"), on January 22, 2013, (the "Liberty Schedule 13D"), is hereby amended and supplemented to include the information set forth herein. This amended statement on Schedule 13D/A (this "Amendment") constitutes Amendment No. 1 to the Liberty Schedule 13D. Capitalized terms not defined herein have the meanings given to such terms in the Liberty Schedule 13D.

Malone and Maffei beneficially own 378,899 shares of Common Stock as of the date hereof, including 111,756 stock options exercisable in the next 60 days.

Item 6. Contracts, Arrangements, Understandings of Relationships with Respect to Securities of the Issuer

The information contained in Item 6 of the Liberty Schedule 13D is hereby amended and supplemented by adding the following information:

On April 30, 2013, Liberty SIRI Marginco, LLC, a wholly-owned special purpose subsidiary of the Reporting Person, entered into a margin loan agreement with Merrill Lynch International, as administrative agent and calculation agent, Bank of America, N.A., as a lender, and Citibank, N.A., as a lender. The loan agreement permits the borrower, subject to certain funding conditions, to borrow up to \$1.0 billion, consisting of a \$250 million term loan and up to \$750 million on a revolving credit basis. On April 30, 2013, \$700 million in loans (the \$250 million term loan and \$450 million in revolving loans) were made to the borrower under the loan agreement, with \$300 million in revolving commitments still available for future loans. Additionally, up to \$1.0 billion in loans may be extended under the loan agreement in the form of incremental loans, subject to the satisfaction of certain conditions. The maximum amount of loans available to the borrower under the loan agreement (including the maximum amount of potential incremental loans) is \$2.0 billion. The maturity date of all loans under the loan agreement is October 30, 2014. The proceeds of this loan were used, in part, to allow Liberty to acquire, pursuant to a stock purchase agreement previously executed with various investment funds: (i) shares of Class A common stock, par value \$0.001 per share of Charter Communications, Inc. ("Charter Common Stock"), and (ii) warrants to purchase additional shares of Charter Common Stock at various prices.

3

The borrower's obligations under the loan agreement are fully and unconditionally guaranteed by Liberty and secured by a first priority lien on a basket of publicly traded common stocks owned by Liberty, including shares of Common Stock. 719,919,656 shares of Common Stock were pledged by the borrower as of the closing date, and the borrower may pledge up to 573,568,724 additional shares of Common Stock under the terms of the loan agreement. Further, upon and following the incurrence of any incremental loans, the borrower may pledge up to an additional 306,511,620 shares of Common Stock (for a total maximum pledge of 1,600,000,000 shares of Common Stock). If the borrower defaults on its obligations under the loan agreement or Liberty defaults on its obligations under its guaranty, then the lenders can declare all borrowings outstanding under the loan agreement, with accrued interest, to be immediately due and payable, and if the borrower and the Company are unable to pay such amounts, the lenders may foreclose on the pledged stock and any other collateral that then secures the borrower's obligations under the loan agreement.

Borrowings under the loan agreement bear interest at a per annum rate equal to the LIBOR Rate plus a spread varying based on the common stocks pledged to secure borrowings. The borrower may prepay all loans under the loan agreement at any time, subject to certain notice requirements and an early termination premium if the borrower prepays all or any portion of the term loan prior to January 30, 2014.

The loan agreement requires mandatory prepayments or, in some cases, the posting of additional collateral upon the occurrence of certain events that are customary for loans of this type. The loan agreement contains various affirmative and negative covenants that restrict the activities of the borrower. The loan agreement does not include any financial covenants. It also contains events of default that are customary for loans of this type.
