Item 1.01 Entry into a Material Definitive Agreement

On June 21, 2021, our subsidiary, Sirius XM Radio Inc. (“SiriusXM”), issued \$2.0 billion aggregate principal amount of 4.000% Senior Notes due 2028 (the “Notes”). The Notes were sold to J.P. Morgan Securities LLC, Barclays Capital Inc., BofA Securities, Inc., Citigroup Global Capital Markets Inc., Morgan Stanley & Co. LLC, BMO Capital Markets Corp., BNP Paribas Securities Corp., Credit Agricole Securities (USA) Inc., Goldman Sachs & Co. LLC, Mizuho Securities USA LLC, RBC Capital Markets LLC, Scotia Capital (USA) Inc., Truist Securities, Inc., U.S. Bancorp Investments, Inc. and Wells Fargo Securities, LLC. The Notes were resold to certain non-U.S. persons pursuant to Regulation S under the Securities Act of 1933, as amended (the “Securities Act”), and to persons reasonably believed to be qualified institutional buyers pursuant to Rule 144A under the Securities Act at a purchase price equal to 100% of their principal amount. The terms of the Notes are governed by an Indenture, dated as of June 21, 2021, among SiriusXM, the guarantors named therein and U.S. Bank National Association, as trustee (the “Indenture”). The following summary is not a complete description of all of the terms of the Indenture or the Notes and is qualified in its entirety by the copy of the Indenture which is attached as Exhibit 4.1 and incorporated herein by reference.

Interest and maturity. Interest on the Notes is payable semi-annually in arrears on January 15 and July 15 at a rate of 4.000% per annum, commencing on January 15, 2022. The Notes will mature on July 15, 2028.

Guarantees. SiriusXM’s wholly owned domestic subsidiaries – Satellite CD Radio LLC, Sirius XM Connected Vehicle Services Inc., Sirius XM Connected Vehicle Services Holdings Inc., XM eMall Inc., XM Radio LLC, XM Investment LLC, XM 1500 Eckington LLC, Automatic Labs LLC, Pandora Media, LLC, Pandora Media California, LLC, AdsWizz Inc., Stitcher Media LLC and Audios Ventures Inc.– guarantee, on a senior unsecured basis, SiriusXM’s obligations under the Notes, including the payment of principal and interest. These guarantors also guarantee SiriusXM’s senior secured revolving credit facility and existing senior notes. One or more of SiriusXM’s other subsidiaries may, in the future, be required to guarantee SiriusXM’s other indebtedness, but may not be required to guarantee the Notes except as provided in the Indenture. Sirius XM Holdings Inc. does not guarantee the Notes but does guarantee the payment and performance obligations of Pandora Media, LLC under its existing convertible senior notes.

Ranking. The Notes are SiriusXM’s general unsecured senior obligations. The Notes and related guarantees rank equally in right of payment with all of SiriusXM’s and the guarantors’ existing and future senior indebtedness and senior in right of payment to all of SiriusXM’s and the guarantors’ future subordinated obligations. The Notes and related guarantees are structurally subordinated in right of payment to all existing and future liabilities (including trade payables) of SiriusXM’s non-guarantor subsidiaries. The Notes and related guarantees are effectively subordinated to all of SiriusXM’s existing and future secured indebtedness to the extent of the value of the collateral securing such indebtedness.

Optional redemption for the Notes. At any time prior to July 15, 2024, SiriusXM may redeem some or all of the Notes at any time and from time to time at a “make-whole” redemption price set forth in the Indenture. On and after July 15, 2024, SiriusXM may redeem the Notes, in whole or in part, at any time at the redemption prices set forth in the Indenture. In addition, prior to July 15, 2024, SiriusXM may, on one or more occasions, redeem up to 40% of the aggregate principal amount of the Notes with the proceeds of certain equity offerings at a redemption price equal to 104.000% of the principal amount of the Notes redeemed, plus accrued and unpaid interest, if any, to, but excluding, the date of redemption.

Change of control and other restrictive covenants. The Notes are subject to covenants that, among other things, require SiriusXM to make an offer to repurchase the Notes at 101% of their principal amount in the event of a change of control and a downgrade in the ratings of the Notes, and limit SiriusXM’s ability and the ability of SiriusXM’s subsidiaries to create certain liens; enter into sale/leaseback transactions; and merge, consolidate or sell or otherwise dispose of all or substantially all assets. In addition, the Indenture restricts SiriusXM’s non-guarantor subsidiaries’ ability to create, assume, incur or guarantee additional indebtedness without such non-guarantor subsidiary guaranteeing the Notes. Sirius XM Holdings Inc. is not subject to these restrictive covenants.

Events of default. The following constitute events of default under the Notes: default in the payment of interest; default in the payment of principal; failure to comply with covenants; failure to pay other indebtedness after final maturity or acceleration of other indebtedness exceeding a specified amount; certain events of bankruptcy; a judgment for payment of money exceeding a specified aggregate amount; and avoidance of subsidiary guarantees, in each case subject to applicable grace periods.

Use of proceeds. SiriusXM intends to use the net proceeds from the issuance of the Notes to redeem all of its outstanding 3.875% Senior Notes due 2022 (the “2022 Notes”) and to repay, in part, borrowings outstanding under its senior secured revolving credit facility. Beginning August 1, 2021, SiriusXM may redeem the 2022 Notes at a redemption price of 100.000% of the principal amount thereof plus accrued and unpaid interest thereon to, but excluding, the redemption date. Pending application of the offering proceeds to redeem the 2022 Notes, SiriusXM expects to use the net proceeds to repay borrowings outstanding under its senior secured revolving credit facility.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

The response to Item 1.01 is hereby incorporated by reference into this Item 2.03.

Item 8.01 Other Events

On June 21, 2021, SiriusXM issued a redemption notice pursuant to the indenture governing the 2022 Notes to redeem all of the 2022 Notes on August 1, 2021 at a redemption price of 100.000% of the principal amount thereof, plus accrued and unpaid interest thereon to, but excluding, the redemption date (with payment to be made to the holders thereof on the next business day). As of March 31, 2021, SiriusXM had \$1,000 million aggregate principal amount of 2022 Notes outstanding.

SECTION 1.01. Definitions.

“*Additional Notes*” means Notes issued under this Indenture after the Issue Date and in compliance with Section 2.13, it being understood that any Notes issued in exchange for or replacement of any Note issued on the Issue Date shall not be an Additional Note.

“*Affiliate*” of any specified Person means any other Person, directly or indirectly, controlling or controlled by or under direct or indirect common control with such specified Person. For the purposes of this definition, “control” when used with respect to any Person means the power to direct the management and policies of such Person, directly or indirectly, whether through the ownership of voting securities, by contract or otherwise; and the terms “controlling” and “controlled” have meanings correlative to the foregoing.

“*Attributable Debt*” in respect of a Sale/Leaseback Transaction means, as at the time of determination, the present value (discounted at the interest rate borne by the Notes, compounded annually) of the total obligations of the lessee for rental payments during the remaining term of the lease included in such Sale/Leaseback Transaction (including any period for which such lease has been extended); *provided, however*, that if such Sale/Leaseback Transaction results in a Capital Lease Obligation, the amount of Indebtedness represented thereby will be determined in accordance with the definition of “Capital Lease Obligation.”

“*Board of Directors*” means the Board of Directors of the Company or any committee thereof duly authorized to act on behalf of such Board.

“*Business Day*” means each day which is not a Legal Holiday. Any notice or payment due on any day that is not a Business Day need not be made on such day, but may be made on the next succeeding Business Day with the same force and effect as if made on such day.

(2) the adoption of a plan relating to the liquidation or dissolution of the Company; or

(3) the direct or indirect sale, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all of the properties or assets of the Company and its Subsidiaries taken as a whole, to any “person” (as that term is used in Section 13(d)(3) of the Exchange Act) other than a Subsidiary.

SECTION 2.01. Form and Dating. Provisions relating to the Notes are set forth in the Rule 144A/Regulation S/IAI Appendix attached hereto (the “*Appendix*”) which is hereby incorporated in, and expressly made part of, this Indenture. The Notes and the Trustee’s certificate of authentication shall be substantially in the form of Exhibit 1 to the Appendix which

is hereby incorporated in, and expressly made a part of, this Indenture. The Notes may have notations, legends or endorsements required by law, stock exchange rule, agreements to which the Company is subject, if any, or usage (*provided* that any such notation, legend or endorsement is in a form acceptable to the Company). Each Note shall be dated the date of its authentication. The terms of the Notes set forth in the Appendix are part of the terms of this Indenture.

SECTION 2.02. Execution and Authentication. One Officer shall sign the Notes for the Company by manual, electronic or facsimile signature.

If an Officer whose signature is on a Note no longer holds that office at the time the Trustee authenticates the Note, the Note shall be valid nevertheless.

A Note shall not be valid until an authorized signatory of the Trustee manually signs the certificate of authentication on the Note. The signature shall be conclusive evidence that the Note has been authenticated under this Indenture.

On the Issue Date, the Trustee shall authenticate and deliver \$2,000,000,000 aggregate principal amount of the Notes and, at any time and from time to time thereafter, the Trustee shall authenticate and deliver Notes for original issue in an aggregate principal amount specified in such order, in each case upon a written order of the Company signed by one Officer of the Company (a "*Company Order*"). Such order shall specify the amount of the Notes to be authenticated and the date on which the original issue of Notes is to be authenticated.

The Trustee may appoint an authenticating agent (the "*Authenticating Agent*") reasonably acceptable to the Company to authenticate the Notes. Any such appointment shall be evidenced by an instrument signed by a Responsible Officer, a copy of which shall be furnished to the Company. Unless limited by the terms of such appointment, the Authenticating Agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. The Authenticating Agent has the same rights as any Registrar, Paying Agent or agent for service of notices and demands.

The Trustee and the Authenticating Agent shall have the right to decline to authenticate and deliver any Notes under this Section 2.02 if the Trustee in good faith determines that such action may not lawfully be taken or if the Trustee in good faith determines that such action would expose the Trustee or the Authenticating Agent to personal liability, unless indemnity or security satisfactory to the Trustee or the Authenticating Agent, as applicable, against such liability is provided to the Trustee or the Authenticating Agent, as applicable.

SECTION 2.03. Registrar and Paying Agent.

(a) The Company shall maintain an office or agency where Notes may be presented for registration of transfer or for exchange (the "*Registrar*") and an office or agency where Notes may be presented for payment (the "*Paying Agent*"). The Registrar shall keep a register of the Notes and of their transfer and exchange. The Company may have one or more co-registrars and one or more additional paying agents. The term "*Registrar*" includes any co-registrars. The term "*Paying Agent*" includes any additional paying agent.

(b) The Company shall enter into an appropriate agency agreement with any Registrar, Paying Agent or co-registrar not a party to this Indenture. The agreement shall implement the provisions of this Indenture that relate to such agent. The Company shall notify the Trustee of the name and address of any such agent. If the Company fails to maintain a Registrar or Paying Agent, the Trustee shall act as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.07. The Company or any Wholly Owned Subsidiary incorporated or organized within the United States of America may act as Paying Agent, Registrar, co-registrar or transfer agent.

(c) The Company may remove any Registrar or Paying Agent upon written notice to such Registrar or Paying Agent and to the Trustee; *provided, however*, that no such removal shall become effective until (i) if applicable, acceptance of an appointment by a successor as evidenced by an appropriate agreement entered into by the Company and such successor Registrar or Paying Agent, as the case may be, and delivered to the Trustee or (ii) notification to the Trustee that the Trustee shall serve as Registrar or Paying Agent until the appointment of a successor in accordance with Section 2.03(c)(i). The Registrar or Paying Agent may resign at any time upon written notice to the Company and the Trustee; *provided, however*, that the Trustee may resign as Paying Agent or Registrar only if the Trustee also resigns as Trustee in accordance with Section 7.08.

(d) The Company initially appoints the Trustee as Registrar and Paying Agent in connection with the Notes.

SECTION 2.04. Paying Agent To Hold Money in Trust. Prior to each due date of the principal and interest on any Note, the Company shall deposit with the Paying Agent a sum sufficient to pay such principal and interest when so becoming due. The Company shall require each Paying Agent (other than the Trustee) to agree in writing that the Paying Agent shall hold in trust for the benefit of Noteholders or the Trustee all money held by the Paying Agent for the payment of principal of or interest on the Notes and shall notify the Trustee of any default by the Company in making any such payment. If the Company or a Subsidiary acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it as a separate trust fund. The Company at any time may require a Paying Agent to pay all money held by it to the Trustee and to account for any funds disbursed by the Paying Agent. Upon complying with this Section, the Paying Agent shall have no further liability for the money delivered to the Trustee.

SECTION 2.05. Noteholder Lists. The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Noteholders. If the Trustee is not the Registrar, the Company shall furnish, or cause the Registrar to furnish, to the Trustee, in writing at least five Business Days before each interest payment date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Noteholders.

SECTION 2.06. Transfer and Exchange. (a) The Notes shall be issued in registered form and shall be transferable only upon the surrender of a Note for registration of transfer. When a Note is presented to the Registrar or a co-registrar with a request to register a transfer, the Registrar shall register the transfer as requested if the requirements of this Indenture and Section 8-401(1) of the Uniform Commercial Code are met. When Notes are presented to the

Registrar or a co-registrar with a request to exchange them for an equal principal amount of Notes of other denominations, the Registrar shall register the transfer or make the exchange as requested if the same requirements are met. The Company may require payment of a sum sufficient to pay all taxes, assessments and other governmental charges in connection with any transfer or exchange pursuant to this Section. The Company shall not be required to make, and the Registrar need not register, transfers or exchanges of Notes selected for redemption (except, in the case of Notes to be redeemed in part, the portion thereof not to be redeemed) or of any Notes for a period of 15 days before a selection of Notes to be redeemed.

Prior to the due presentation of transfer of any Note, the Company, the Trustee, the Paying Agent and the Registrar may deem and treat the person in whose name a Note is registered as the absolute owner of such Note for all purposes of receiving payment of principal of and interest, if any, on such Note and for all other purposes whatsoever, whether or not such security is overdue, and none of the Company, the Trustee, a Paying Agent or the Registrar shall be affected by notice to the contrary.

All securities issued upon any transfer or exchange pursuant to the terms of this Indenture shall evidence the same debt and shall be entitled to the same benefits under this Indenture as the Notes surrendered upon such transfer or exchange.

(b) Any Registrar appointed pursuant to Section 2.03 shall provide the Trustee such information as the Trustee may reasonably require in connection with the delivery by such Registrar of Notes upon transfer or exchange of Notes.

(c) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note between or among any member of, or participant in, The Depository Trust Company (“DTC”) (or any other securities clearing agency that is registered as such under the Exchange Act and is designated by the Company to act as a depository for such Notes) or other beneficial owners of interests in any Global Note other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements thereof.

SECTION 2.07. Replacement Notes. If a mutilated Note is surrendered to the Registrar or if the Holder of a Note claims that the Note has been lost, destroyed or wrongfully taken, the Company shall issue and the Trustee shall, upon written order of the Company, authenticate a replacement Note if the requirements of Section 8-405 of the Uniform Commercial Code are met and the Holder (a) satisfies the Company or the Trustee within a reasonable time after such Holder has notice of such loss, destruction or wrongful taking and the Registrar does not register a transfer prior to receiving such notification, (b) makes such request to the Company or the Trustee prior to the Note being acquired by a protected purchaser as defined in Section 8-303 of the Uniform Commercial Code (a “*Protected Purchaser*”) and (c) satisfies any other reasonable requirements of the Trustee. If required by the Trustee or the Company, such Holder shall furnish an indemnity bond sufficient in the judgment of the Company and the Trustee to protect the Company, the Trustee, the Paying Agent, the Registrar

and any co-registrar from any loss which any of them may suffer if a Note is replaced. The Company and the Trustee may charge the Holder for their expenses in replacing a Note (including, attorneys' fees and disbursements in replacing such security). In the event any such mutilated, lost, destroyed or wrongfully taken Note has become or is about to become due and payable, the Company in its discretion may pay such Note instead of issuing a new Note in replacement thereof.

Every replacement Note is an additional obligation of the Company.

SECTION 2.08. Outstanding Notes. Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation and those described in this Section as not outstanding. Subject to Section 11.05, a Note does not cease to be outstanding because the Company or an Affiliate of the Company holds the Note.

If a Note is replaced pursuant to Section 2.07, it ceases to be outstanding unless the Trustee and the Company receive proof satisfactory to them that the replaced Note is held by a Protected Purchaser.

If the Paying Agent segregates and holds in trust, in accordance with this Indenture, on a redemption date or maturity date money sufficient to pay all principal and interest payable on that date with respect to the Notes (or portions thereof) to be redeemed or maturing, as the case may be, then on and after that date such Notes (or portions thereof) cease to be outstanding and interest on them ceases to accrue.

SECTION 2.09. Temporary Notes. Until Definitive Notes are ready for delivery, the Company may prepare and, upon written order of the Company, the Trustee shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of Definitive Notes but may have variations that the Company considers appropriate for temporary Notes. Without unreasonable delay, the Company shall prepare and the Trustee shall authenticate Definitive Notes and deliver them in exchange for temporary Notes at the office or agency of the Company.

SECTION 2.10. Cancellation. The Company at any time may deliver Notes to the Trustee for cancellation. The Registrar and the Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel and dispose of (subject to the record retention requirements of the Exchange Act) all Notes surrendered for registration of transfer, exchange, payment or cancellation in accordance with its customary procedures for the disposition of cancelled securities and deliver a certificate of such disposition to the Company unless the Company directs the Trustee to deliver canceled Notes to the Company. The Company may not issue new Notes to replace Notes it has redeemed, paid or delivered to the Trustee for cancellation.

SECTION 2.11. [Reserved]

SECTION 2.12. CUSIP Numbers, ISINs, etc. The Company in issuing the Notes may use "CUSIP" numbers, ISINs and "Common Code" numbers (in each case if then generally in use) and, if so, the Trustee shall use "CUSIP" numbers, ISINs and "Common Code" numbers

in notices of redemption as a convenience to Holders; *provided, however*, that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company shall promptly advise the Trustee in writing of any change in any “CUSIP” numbers, ISINs or “Common Code” numbers applicable to the Notes.

SECTION 2.13. Issuance of Additional Notes. After the Issue Date, the Company shall be entitled to issue Additional Notes under this Indenture, which Notes shall have identical terms as the Notes issued on the Issue Date, other than with respect to the date of issuance, the date of the first interest payment (as applicable) and issue price. All the Notes issued under this Indenture shall be treated as a single class for all purposes of this Indenture including waivers, amendments, redemptions and offers to purchase.

With respect to any Additional Notes, the Company shall set forth in a resolution of the Board of Directors and an Officer’s Certificate, a copy of each which shall be delivered to the Trustee, the following information:

- (1) the aggregate principal amount of such Additional Notes to be authenticated and delivered pursuant to this Indenture; and
- (2) the issue price, the issue date, the first interest payment date and the “CUSIP” number of such Additional Notes.

ARTICLE 3

Redemption

SECTION 3.01. Selection of Notes to Be Redeemed. If fewer than all the Notes are to be redeemed, the Registrar shall select the Notes to be redeemed on a pro rata basis, by lot or by using any other method that it deems fair and appropriate, unless otherwise required by law or applicable stock exchange or depository requirements. However, if the Notes are solely registered in the name of Cede & Co. and traded through DTC, then DTC shall select the Notes to be redeemed in accordance with its practices. The Trustee shall make the selection from outstanding Notes not previously called for redemption. The Trustee may select for redemption portions of the principal of Notes that have denominations larger than \$2,000. Notes and portions of them the Trustee selects shall be in principal amounts of \$2,000 or whole multiples of \$1,000 in excess of \$2,000. Provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption. The Trustee shall notify the Company promptly of the Notes or portions of Notes to be redeemed.

SECTION 3.02. Notice of Redemption. At least 10 days but not more than 60 days before a date for redemption of Notes, the Company shall mail or cause to be mailed a notice of redemption by first-class mail or to be delivered in accordance with the applicable procedures of DTC to each Holder of Notes (with a copy of such notice to the Trustee) to be redeemed at such Holder’s registered address, except that redemption notices may be mailed

more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture. Any notice of redemption may, at the Company's discretion, be subject to one or more conditions precedent.

The notice shall identify the Notes to be redeemed and shall state:

- (1) the redemption date;
- (2) the redemption price;
- (3) the name and address of the Paying Agent;
- (4) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price, plus accrued interest;
- (5) if fewer than all the outstanding Notes are to be redeemed, the certificate numbers and principal amounts of the particular Notes to be redeemed;
- (6) that, unless the Company defaults in making such redemption payment, interest on Notes (or portion thereof) called for redemption ceases to accrue on and after the redemption date;
- (7) the "CUSIP" number, ISIN or "Common Code" number, if any, printed on the Notes being redeemed; and
- (8) that no representation is made as to the correctness or accuracy of the "CUSIP" number, ISIN, or "Common Code" number, if any, listed in such notice or printed on the Notes.

If such notice of redemption is subject to satisfaction of one or more conditions precedent, such notice will state that, in the Company's discretion, the redemption date may be delayed until such time as any or all such conditions are satisfied (which, for the avoidance of doubt, may be later than 60 days from the date such notice was delivered or mailed), or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions have not been satisfied by the redemption date, or by the redemption date so delayed.

At the Company's request, delivered at least 15 days before the date such notice is to be given to the Holder (unless a shorter period shall be acceptable to the Trustee), the Trustee shall give the notice of redemption in the Company's name and at the Company's expense. In such event, the Company shall provide the Trustee with the information required by this Section.

SECTION 3.03. Effect of Notice of Redemption. Once notice of redemption is mailed or delivered in accordance with the applicable procedures of DTC, Notes called for redemption become due and payable on the redemption date (unless such redemption is conditioned on the happening of a future event in which case the Note is due on the date the conditions set forth in the notice of redemption have been satisfied or waived) and at the redemption price stated in the notice. Upon surrender to the Paying Agent, such Notes shall be paid at the redemption price stated in the notice, plus accrued interest to the redemption date

(subject to the right of Holders of record on the relevant record date to receive interest due on the related interest payment date), and such Notes shall be canceled by the Trustee. Failure to give notice or any defect in the notice to any Holder shall not affect the validity of the notice to any other Holder.

SECTION 3.04. Deposit of Redemption Price. Prior to the redemption date, the Company shall deposit with the Paying Agent (or, if the Company or a Wholly Owned Subsidiary is the Paying Agent, shall segregate and hold in trust) money sufficient to pay the redemption price of and accrued interest on all Notes to be redeemed on that date other than Notes or portions of Notes called for redemption which have been delivered by the Company to the Trustee for cancellation.

SECTION 3.05. Notes Redeemed in Part. Upon surrender of a Note that is redeemed in part, the Company shall execute and the Trustee shall authenticate for the Holder (at the Company's expense) a new Note equal in principal amount to the unredeemed portion of the Note surrendered.

SECTION 3.06. Optional Redemption.

(a) At any time prior to July 15, 2024, the Company may on any one or more occasions redeem up to 40% of the aggregate principal amount of Notes issued under this Indenture at a redemption price equal to 104.000% of the principal amount thereof, plus accrued and unpaid interest, if any, to the redemption date (subject to the rights of Holders on the relevant record date to receive interest on the relevant interest payment date), with the Net Cash Proceeds from the issuance or sale of Capital Stock of the Company; *provided* that:

- (1) at least 60% of the aggregate principal amount of Notes originally issued under this Indenture (excluding Notes held by the Company and its Affiliates) remains outstanding immediately after the occurrence of such redemption; and
- (2) the redemption occurs within 180 days of the date of the closing of such issuance or sale of Capital Stock.

(b) At any time prior to July 15, 2024, the Company, at its option, may redeem all, or from time to time, any part of the Notes on not less than 10 days nor more than 60 days' notice as provided in paragraph 6 of the Notes (except that, notwithstanding the provisions of Section 3.02 of this Indenture, any notice of redemption for the Notes given pursuant to this Section need not set forth the redemption price but only the manner of calculation thereof) at a redemption price ("*Make Whole Redemption Price*") equal to the greater of the following amounts, plus, in each case, accrued and unpaid interest, if any, and additional interest on the principal amount being redeemed to the applicable redemption date:

- (1) 100% of the principal amount of the Notes then outstanding to be so redeemed; and
- (2) the present value of the sum of the redemption price of the Notes at July 15, 2024 (such redemption price being set forth in the table in Section 3.06(d)) and the remaining scheduled payments of interest on the Notes to be redeemed to, but excluding,

July 15, 2024, discounted to the applicable redemption date in accordance with customary market practice on a semi-annual basis at a rate equal to the sum of the Treasury Rate plus 0.50%, minus accrued and unpaid interest and additional interest on the principal amount being redeemed to, but excluding, the applicable redemption date.

The Make Whole Redemption Price for the Notes will be calculated by the Independent Investment Banker assuming a 360-day year consisting of twelve 30-day months. For purposes of calculating the Make Whole Redemption Price pursuant to the foregoing optional redemption provisions, the following terms will have the meanings set forth below:

“*Comparable Treasury Issue*” means the U.S. Treasury security or securities selected by the Independent Investment Banker as having an actual or interpolated maturity most nearly equal to the period from the redemption date to July 15, 2024; *provided*, that if the period from the redemption date to July 15, 2024 is less than one year, the weekly average yield on actually traded United States Treasury securities adjusted to a constant maturity of one year will be used.

“*Comparable Treasury Price*” means, with respect to any redemption date:

- (1) the average of the Reference Treasury Dealer Quotations for that redemption date, after excluding the highest and lowest of the Reference Treasury Dealer Quotations;
- (2) if the Trustee obtains fewer than four Reference Treasury Dealer Quotations, the average of all Reference Treasury Dealer Quotations so received; or
- (3) if only one Reference Treasury Dealer Quotation is received, such quotation.

“*Independent Investment Banker*” means one of the Reference Treasury Dealers selected by the Company.

“*Reference Treasury Dealer*” means each of four primary U.S. Government securities dealers in New York City (each a “*Primary Treasury Dealer*”), consisting of (i) J.P. Morgan Securities LLC (or its affiliate), and (ii) three other nationally recognized investment banking firms (or their affiliates) that the Company selects in connection with the particular redemption, and their respective successors, *provided* that if any of them ceases to be a Primary Treasury Dealer, the Company will substitute another nationally recognized investment banking firm (or its affiliate) that is a Primary Treasury Dealer.

“*Reference Treasury Dealer Quotations*” means, with respect to each Reference Treasury Dealer and any redemption date, the average, as determined by the Independent Investment Banker, of the bid and asked prices for the Comparable Treasury Issue (expressed as a percentage of its principal amount) quoted in writing to the Independent Investment Banker by such Reference Treasury Dealer at 3:30 p.m., New York City time, on the third Business Day preceding that redemption date.

“*Treasury Rate*” means, with respect to any redemption date, the rate per year equal to the semi-annual equivalent yield to maturity or interpolated maturity (on a day count basis) of

the Comparable Treasury Issue, calculated on the third Business Day preceding the applicable redemption date, assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for that redemption date.

(c) Except pursuant to Section 3.06(a) or Section 3.06(b), the Notes shall not be redeemable at the Company's option prior to July 15, 2024.

(d) On or after July 15, 2024, the Company may on any one or more occasions redeem all or a part of the Notes on not less than 10 days nor more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth below, plus accrued and unpaid interest and additional interest, if any, on the Notes redeemed, to, but excluding, the applicable redemption date, if redeemed during the twelve-month period beginning on July 15 of the years indicated below, subject to the rights of Holders on the relevant record date to receive interest and additional interest, if any, on the relevant interest payment date:

| Year | Percentage |
|---------------------|------------|
| 2024 | 102.000% |
| 2025 | 101.000% |
| 2026 and thereafter | 100.000% |

(e) Any redemption pursuant to this Section 3.06 shall be made in a manner consistent with the provisions of Sections 3.01 through 3.05 hereof to the extent applicable.

(f) Notwithstanding the foregoing, in connection with any tender offer for the Notes at any time, if Holders of not less than 90% in aggregate principal amount of outstanding Notes validly tender and do not withdraw such Notes in such tender offer and the Company, or any third party making such tender offer in lieu of the Company, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Company or such third party will have the right upon not less than 10 days nor more than 60 days' prior notice, given not more than 30 days following such purchase date, to redeem (with respect to the Company) or purchase (with respect to a third party) all Notes that remain outstanding following such purchase at a price equal to the price paid to each other Holder in such tender offer (which may be less than par) plus, to the extent not included in the tender offer payment, accrued and unpaid interest, if any, thereon, to, but excluding, the applicable redemption date or purchase date, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date falling on or prior to such redemption date or purchase date.

(g) Unless the Company defaults in the payment of the applicable redemption price, on and after the applicable redemption date, interest will cease to accrue on the Notes or portions of the Notes called for redemption.

(h) If the optional redemption date is after an interest record date and on or before the related interest payment date, the accrued and unpaid interest, if any, will be paid to the Person in whose name the Note is registered at the close of business, on such record date, and no additional interest shall be payable to Holders whose Notes are subject to redemption by the Company.

ARTICLE 4

Covenants

SECTION 4.01. Payment of Notes. The Company shall promptly pay the principal of and interest on the Notes on the dates and in the manner provided in the Notes and in this Indenture. Principal and interest shall be considered paid on the date due if on such date the Trustee or the Paying Agent holds in accordance with this Indenture money sufficient to pay all principal and interest then due.

The Company shall pay interest on overdue principal at the rate specified therefor in the Notes, and it shall pay interest on overdue installments of interest at the same rate to the extent lawful.

SECTION 4.02. SEC Reports.

(a) So long as any Notes are outstanding, the Company will furnish to the Trustee:

(1) within 90 days after the end of each fiscal year, annual reports of the Company containing substantially all of the information that would have been required to be contained in an Annual Report on Form 10-K under the Exchange Act if the Company had been a reporting company under the Exchange Act (but only to the extent similar information was included in the Offering Memorandum), including (A) "Management's Discussion and Analysis of Financial Condition and Results of Operations" and (B) audited financial statements prepared in accordance with GAAP, or to the extent the Company is a reporting company, the Annual Report on Form 10-K as filed under the Exchange Act;

(2) within 45 days after the end of each of the first three fiscal quarters of each fiscal year, quarterly reports of the Company containing substantially all of the information that would have been required to be contained in a Quarterly Report on Form 10-Q under the Exchange Act if the Company had been a reporting company under the Exchange Act (but only to the extent similar information was provided in the Offering Memorandum), including (A) "Management's Discussion and Analysis of Financial Condition and Results of Operations" and (B) unaudited quarterly financial statements prepared in accordance with GAAP and reviewed pursuant to AU 722, Interim Financial Information (or any successor provision) or, to the extent the Company is a reporting company, the Quarterly Report on Form 10-Q as filed under the Exchange Act; and

(3) within five Business Days after the occurrence of each event that would have been required to be reported in a Current Report on Form 8-K under the Exchange Act if the Company had been a reporting company under the Exchange Act, current reports containing substantially all of the information that would have been required to be contained in a Current Report on Form 8-K under the Exchange Act if the Company had

been a reporting company under the Exchange Act; *provided, however*, that no such current report will be required to be furnished if the Company determines in its good faith judgment that such event is not material to Holders or the business, assets, operations, financial positions or prospects of the Company and its Subsidiaries, taken as a whole;

provided, however, that such reports (A) will not be required to comply with Section 302 or Section 404 of the Sarbanes-Oxley Act of 2002, or related Items 307 and 308 of Regulation S-K promulgated by the SEC, or Item 10(e) of Regulation S-K (with respect to any non-GAAP financial measures contained therein) and (B) will not be required to contain the separate financial information for Guarantors contemplated by Rule 3-10 of Regulation S-X promulgated by the SEC.

(b) So long as any Notes are outstanding, the Company (or any parent entity of the Company) will also maintain a public website to which all of the reports required by Section 4.02(a) are posted.

(c) The availability of the foregoing materials on the SEC's EDGAR service or the posting thereof on a public website shall be deemed to satisfy the delivery obligation of the Company.

(d) Notwithstanding the foregoing, the Company may satisfy its obligations under this Section 4.02 with respect to financial and other information of the Company by furnishing (A) the applicable financial statements of any parent entity of the Company or (B) to the extent the parent entity is a reporting company, any parent entity's Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q or Current Reports on Form 8-K, as applicable; *provided* that, such information explains in reasonable detail the differences between the information relating to such parent entity, on the one hand, and the information relating to the Company and its consolidated subsidiaries on a standalone basis, on the other hand.

In addition, the Company shall furnish to Holders, prospective investors approved by the Company, broker-dealers approved by the Company and securities analysts, upon their request, any information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act so long as the Notes are not freely transferable under the Securities Act. Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates).

SECTION 4.03. Limitation on Subsidiary Debt.

(a) The Company shall not cause or permit any Subsidiary that is not a Subsidiary Guarantor: (i) to Guarantee the obligations of, or become a co-borrower with, the Company or any Subsidiary Guarantor, under any Debt Facility or (ii) to create, assume, Incur, issue or Guarantee any Indebtedness, unless, in the case of clause (i) or (ii), within 30 days thereof, the Company causes such Subsidiary to become a Subsidiary Guarantor by executing and delivering a Note Guarantee.

(b) Clause (a) above shall not apply to the following items of Indebtedness:

(1) Indebtedness of a Person existing at the time such Person is merged with or into, amalgamated with, or is consolidated into, a Subsidiary, or which is assumed by a Subsidiary in connection with an acquisition of substantially all the assets of such Person, so long as such Indebtedness was not created in anticipation of such merger, amalgamation, consolidation or acquisition, and Refinancing Indebtedness in respect thereof, so long as (A) the principal amount thereof does not exceed the principal amount of the Indebtedness being Refinanced plus accrued and unpaid interest thereon together with any fees, premiums (including tender premiums) and expenses relating to such Refinancing and (B) such Refinancing Indebtedness is Incurred by the same Person(s) as the Indebtedness being Refinanced;

(2) Indebtedness of a Person existing at the time such Person becomes a Subsidiary, so long as such Indebtedness was not Incurred in anticipation of such Person becoming a Subsidiary, and Refinancing Indebtedness in respect thereof, so long as (A) the principal amount thereof does not exceed the principal amount of the Indebtedness being Refinanced plus accrued and unpaid interest thereon together with any fees, premiums (including tender premiums) and expenses relating to such Refinancing and (B) such Refinancing Indebtedness is Incurred by the same Person(s) as the Indebtedness being Refinanced;

(3) Purchase Money Indebtedness, Attributable Debt and Capital Lease Obligations and Refinancing Indebtedness in respect thereof, so long as (A) the principal amount thereof does not exceed the principal amount of the Indebtedness being Refinanced plus accrued and unpaid interest thereon together with any fees, premiums (including tender premiums) and expenses relating to such Refinancing and (B) such Refinancing Indebtedness is Incurred by the same Person(s) as the Indebtedness being Refinanced;

(4) Indebtedness of the Company owing to and held by any Subsidiary or Indebtedness of a Subsidiary owing to and held by the Company or any other Subsidiary;

(5) Indebtedness owed in respect of any overdrafts and related liabilities arising from treasury, depository and cash management services or in connection with any automated clearinghouse transfers of funds; *provided* that such Indebtedness shall be repaid in full within five Business Days of the Incurrence thereof;

(6) obligations under (i) workers' compensation, unemployment insurance and other social security laws and (ii) bids, trade contracts, leases (other than Capital Lease Obligations), statutory obligations, surety and appeal bonds, performance bonds and obligations of a like nature, in each case, in the ordinary course of business;

(7) Hedging Obligations entered into other than for speculative purposes and the financing of insurance premiums; and

(8) any other Indebtedness, so long as, after giving effect thereto, Exempted Debt does not exceed the greater of (a) \$3,650 million and (b) 2.5 times Consolidated Operating Cash Flow for the relevant Reference Period, in each case, measured as of the date of Incurrence of any such Indebtedness and any Refinancing Indebtedness in respect thereof.

In the event that Indebtedness meets the criteria of more than one of clauses of (1) through (8) above, the Company, in its sole discretion, shall be permitted to classify such Indebtedness (or portion thereof) at the time of its Incurrence in any manner that complies with this Section 4.03. In addition, any Indebtedness (or portion thereof) originally classified as Incurred pursuant any of clauses (1) through (8) above may later be reclassified by the Company, in its sole discretion, such that it (or any portion thereof) shall be deemed to be Incurred pursuant to any other of such clauses to the extent that such reclassified Indebtedness (or portion thereof) could be Incurred pursuant to such clause at the time of such reclassification.

Indebtedness Incurred under any of clauses (1) to (8) above by a Subsidiary that subsequently becomes a Subsidiary Guarantor shall cease to be outstanding under such clause at such time such Subsidiary becomes a Subsidiary Guarantor. Subsequently, the Company may, in its sole discretion, elect to classify or re-classify such Indebtedness as Incurred under any of clauses (1) and (8) above.

For purposes of this Section 4.03, (i) in determining compliance with any U.S. dollar-denominated restriction on the Incurrence of Indebtedness, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based upon the relevant currency exchange rate in effect on the date such Indebtedness was Incurred; *provided, however*, that if such Indebtedness is Incurred to Refinance other Indebtedness denominated in a foreign currency, and such Refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such Refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such Refinancing Indebtedness does not exceed the amount necessary to Refinance the principal amount of such Indebtedness being Refinanced and (ii) the maximum amount of Indebtedness that the Company and its Subsidiaries may Incur shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies.

SECTION 4.04. Change of Control.

(a) Upon the occurrence of a Change of Control Triggering Event, each Holder shall have the right to require that the Company repurchase such Holder's Notes at a purchase price in cash equal to 101% of the principal amount thereof on the date of purchase plus accrued and unpaid interest, if any, to, but excluding, the date of purchase (subject to the right of holders of record on the relevant record date to receive interest, if any, due on the relevant interest payment date), in accordance with the terms contemplated in Section 4.04(b).

(b) Within 30 days following any Change of Control Triggering Event, the Company shall mail or otherwise deliver in accordance with the applicable procedures of DTC a notice to each Holder with a copy to the Trustee (the "*Change of Control Offer*") stating:

- (1) that a Change of Control Triggering Event has occurred and that such Holder has the right to require the Company to purchase such Holder's Notes at a purchase price in cash equal to 101% of the principal amount thereof on the date of purchase, plus accrued and unpaid interest to the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest on the relevant interest payment date);
- (2) the circumstances and relevant facts regarding such Change of Control Triggering Event (including information with respect to *pro forma* historical income, cash flow and capitalization, in each case after giving effect to such Change of Control);
- (3) the purchase date (which shall be no earlier than 10 days nor later than 60 days from the date such notice is mailed); and
- (4) the instructions, as determined by the Company, consistent with this Indenture and this Section 4.04, that a Holder must follow in order to have its Notes repurchased.

(c) Holders electing to have a Note repurchased under this Section 4.04 will be required to surrender the Note, with an appropriate form duly completed, to the Company at the address specified in the notice at least three Business Days prior to the purchase date. Holders will be entitled to withdraw their election if the Trustee or the Company receives not later than one Business Day prior to the purchase date, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note which was delivered for purchase by the Holder and a statement that such Holder is withdrawing his election to have such Note purchased.

(d) On the purchase date, all Notes purchased by the Company under this Section 4.04 shall be delivered by the Company to the Trustee for cancellation, and in accordance with Section 4.04(a), the Company shall pay the purchase price plus accrued and unpaid interest, if any, to the Holders entitled thereto.

(e) Notwithstanding the foregoing provisions of this Section 4.04, the Company shall not be required to make a Change of Control Offer following a Change of Control Triggering Event if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Section 4.04 applicable to a Change of Control Offer made by the Company and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer.

(f) If Holders of not less than 90% in aggregate principal amount of the outstanding Notes validly tender and do not withdraw such Notes in a Change of Control Offer and the Company, or any third party making a Change of Control Offer in lieu of the Company as described above, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Company or such third party will have the right, upon not less than 10 days nor more than 60 days' prior notice (provided that such notice is given not more than 30 days following such purchase pursuant to the Change of Control Offer set forth above) to redeem all Notes that remain outstanding following such purchase at a price in cash equal to 101% of the

aggregate principal amount of such Notes, plus accrued and unpaid interest on the Notes that remain outstanding to, but excluding, the date of redemption (subject to the right of Holders of record on the relevant record date to receive interest due on an interest payment date that is on or prior to the redemption date).

(g) The Company shall comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.04, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Indenture and this Section 4.04 by virtue of its compliance with such securities laws or regulations.

(h) A Change of Control Offer may be made in advance of a Change of Control Triggering Event, conditioned upon the consummation of such Change of Control Triggering Event, if a definitive agreement is in place for the Change of Control at the time the Change of Control Offer is made.

For purposes of this Section 4.04, a distribution, directly or indirectly, of the Capital Stock of the Company by Liberty Media Corporation, Liberty Radio LLC or any of their respective Affiliates to their shareholders, or any earlier or related transaction in furtherance thereof (as, for example, in connection with a reverse morris trust transaction or otherwise), is not a "Change of Control" under this Indenture.

SECTION 4.05. Limitation on Liens. Neither the Company nor any Guarantor shall, and the Company shall not permit any Subsidiary to, directly or indirectly, incur or permit to exist any Lien (the "*Initial Lien*") of any nature whatsoever on any Principal Property, whether owned at the Issue Date or thereafter acquired, securing any Indebtedness, other than Permitted Liens, without effectively providing that the Notes shall be secured equally and ratably with (or prior to) the Indebtedness so secured for so long as such Indebtedness is so secured. Any Lien created for the benefit of the Holders of the Notes pursuant to the preceding sentence shall provide by its terms that such Lien shall be automatically and unconditionally released and discharged upon the release and discharge of the Initial Lien.

SECTION 4.06. Limitation on Sale/Leaseback Transactions.

(a) The Company shall not, and shall not permit any Subsidiary to, enter into any Sale/Leaseback Transaction with respect to any Principal Property, unless:

- (1) the Company or any of its Subsidiaries would be allowed to create a Lien on such Principal Property to secure debt in an amount at least equal to the Attributable Debt in respect of such Sale/Leaseback Transaction without securing the Notes pursuant to Section 4.05; or
- (2) within 360 days, the Company or any Subsidiary applies an amount equal to the net proceeds of such sale or transfer to (A) the voluntary retirement of any Indebtedness of the Company or its Subsidiaries maturing by its terms more than one year from the date of issuance, assumption or guarantee thereof, or which is extendible or

renewable at the sole option of the obligor in such manner that it may become payable more than one year from the date of issuance, assumption or guarantee, which is senior to or ranks equally with the Notes in right of payment and owing to a Person other than the Company or any Affiliate of the Company or (B) the purchase of additional property, and which has a fair market value at least equal to the net proceeds of such sale or transfer.

(3) Notwithstanding the provisions of clauses (1) and (2) above, the Company and its Subsidiaries may enter into a Sale/Leaseback Transaction in addition to those permitted by clauses (1) and (2) above, so long as, after giving effect thereto, Exempted Debt does not exceed the greater of (a) \$3,650 million and (b) 2.5 times Consolidated Operating Cash Flow for the relevant Reference Period, in each case, measured as of the closing date of such Sale/Leaseback Transaction.

(b) For purposes of this Section 4.06, (i) in determining compliance with any U.S. dollar-denominated restriction on the entering into of any Sale/Leaseback Transaction, the U.S. dollar-equivalent principal amount of Attributable Debt denominated in a foreign currency shall be calculated based upon the relevant currency exchange rate in effect on the date such Attributable Debt in respect of such Sale/Leaseback Transaction was Incurred; *provided, however*, that if such Attributable Debt is Incurred to Refinance other Attributable Debt denominated in a foreign currency, and such Refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such Refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such Refinancing Attributable Debt does not exceed the amount necessary to Refinance the principal amount of such Attributable Debt being Refinanced and (ii) the maximum amount of Attributable Debt that the Company or any Subsidiary may Incur in respect of any Sale/Leaseback Transaction shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies.

SECTION 4.07. Compliance Certificate. The Company shall deliver to the Trustee within 120 days after the end of each fiscal year of the Company an Officer's Certificate stating that in the course of the performance by the signers of their duties as Officers of the Company they would normally have knowledge of any Default and whether or not the signers know of any Default that occurred during such period. If they do, the certificate shall describe the Default, its status and what action the Company is taking or proposes to take with respect thereto.

The Company shall deliver to the Trustee, as soon as possible and in any event within 30 days after the Company becomes aware of the occurrence of any Event of Default or an event which, with notice or the lapse of time or both, would constitute an Event of Default, an Officer's Certificate setting forth the details of such Event of Default or default and the action which the Company proposes to take with respect thereto.

SECTION 4.08. Further Instruments and Acts. Upon request of the Trustee, or as otherwise necessary, the Company shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

ARTICLE 5

Successor Company

SECTION 5.01. When Company May Merge or Transfer Assets. The Company shall not consolidate with or merge with or into, or convey, transfer, lease, assign or otherwise dispose of, in one transaction or a series of transactions, directly or indirectly, all or substantially all its assets to, any Person, unless:

- (1) the resulting, surviving or transferee Person (the "Successor Company") shall be a Person organized and existing under the laws of the United States of America, any State thereof or the District of Columbia and the Successor Company (if not the Company) shall expressly assume, by agreements, executed and delivered to the Trustee, in form satisfactory to the Trustee, all the obligations of the Company under the Notes and this Indenture;
- (2) immediately after giving *pro forma* effect to such transaction (and treating any Indebtedness which becomes an obligation of the Successor Company or any Subsidiary as a result of such transaction as having been Incurred by such Successor Company or such Subsidiary at the time of such transaction), no Default shall have occurred and be continuing; and
- (3) the Company shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indenture (if any) comply with this Indenture.

This Section 5.01 will not apply to a consolidation, merger, sale, assignment, transfer, conveyance or other disposition of properties or assets between or among the Company and any of its Subsidiaries.

For purposes of this Section 5.01, the sale, lease, conveyance, assignment, transfer or other disposition of all or substantially all of the properties and assets of one or more Subsidiaries of the Company, which properties and assets, if held by the Company instead of such Subsidiaries, would constitute all or substantially all of the properties and assets of the Company on a consolidated basis, shall be deemed to be the transfer of all or substantially all of the properties and assets of the Company.

The Successor Company shall be the successor to the Company and shall succeed to, and be substituted for, and may exercise every right and power of, the Company under this Indenture, and the predecessor Company, except in the case of a lease, shall be released from the obligation to pay the principal of and interest on the Notes.

ARTICLE 6

Defaults and Remedies

SECTION 6.01. Events of Default. Each of the following is an “Event of Default”:

- (1) a default in any payment of interest on any Note when the same becomes due and payable, and such default continues for a period of 30 days;
- (2) (A) a default in the payment of the principal of any Note when the same becomes due and payable at its Stated Maturity, upon optional redemption, upon declaration of acceleration or otherwise, or (B) the failure by the Company to purchase Notes when required pursuant to this Indenture or the Notes;
- (3) the failure by the Company to comply with Section 5.01;
- (4) the failure by the Company to comply with Section 4.04 (other than a failure to purchase Notes when required under Section 4.04) or 4.05 and such failure continues for 30 days after the notice specified in the second to last paragraph of this Section 6.01 below;
- (5) the failure by the Company to comply with any of its agreements contained in the Notes or this Indenture (other than those referred to in clause (1), (2), (3) or (4) above and such failure continues for 60 days after the notice specified in the second to last paragraph of this Section 6.01 below;
- (6) Indebtedness of the Company or any Significant Subsidiary (other than with respect to the Notes) is not paid within any applicable grace period after final maturity or is accelerated by the holders thereof because of a default and the total amount of such Indebtedness unpaid or accelerated exceeds \$300 million, or its foreign currency equivalent at the time;
- (7) the Company or any Significant Subsidiary pursuant to or within the meaning of any Bankruptcy Code:
 - (A) commences a voluntary case;
 - (B) consents to the entry of an order for relief against it in an involuntary case;
 - (C) consents to the appointment of a Custodian of it or for any substantial part of its property; or
 - (D) makes a general assignment for the benefit of its creditors;or takes any comparable action under any foreign laws relating to insolvency;
- (8) a court of competent jurisdiction enters an order or decree under any Bankruptcy Code that:
 - (A) is for relief against the Company or any Significant Subsidiary in an involuntary case;

(B) appoints a Custodian of the Company or any Significant Subsidiary or for any substantial part of its property; or

(C) orders the winding up or liquidation of the Company or any Significant Subsidiary;

or any similar relief is granted under any foreign laws and the order or decree remains unstayed and in effect for 60 days;

(9) any final, nonappealable judgment or decree for the payment of money which, when taken together with all other final, nonappealable judgments or decrees for the payment of money, causes the aggregate amount of such judgments or decrees entered against the Company or any Significant Subsidiary to exceed \$300 million (net of any amounts with respect to which an insurance company has acknowledged liability in writing), remains outstanding for a period of 60 consecutive days following such judgment and is not discharged, waived or stayed; or

(10) any Subsidiary Guarantee of a Significant Subsidiary ceases to be in full force and effect (except as contemplated by the terms of this Indenture) or is declared null and void in a judicial proceeding or any Subsidiary Guarantor that is a Significant Subsidiary denies or disaffirms its obligations under this Indenture or its Subsidiary Guarantee.

The foregoing will constitute Events of Default whatever the reason for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

The term “*Bankruptcy Code*” means Title 11, United States Code, or any similar Federal or state law for the relief of debtors. The term “*Custodian*” means any receiver, trustee, assignee, liquidator, custodian or similar official under any Bankruptcy Code.

A Default under clauses (4) or (5) is not an Event of Default until the Trustee or the Holders of at least 25% in principal amount of the outstanding Notes notify the Company of the Default and the Company does not cure such Default within the time specified after receipt of such notice. Such notice must specify the Default, demand that it be remedied and state that such notice is a “*Notice of Default*”.

The Company shall deliver to the Trustee, within 30 days after the occurrence thereof, written notice in the form of an Officer’s Certificate of any Event of Default under clause (6) and any event which with the giving of notice or the lapse of time would become an Event of Default under clause (4), (5) or (9), its status and what action the Company is taking or proposes to take with respect thereto.

SECTION 6.02. Acceleration. If an Event of Default (other than an Event of Default specified in Section 6.01(7) or (8) with respect to the Company) occurs and is continuing, the Trustee by written notice to the Company, or the Holders of at least 25% in principal amount of the outstanding Notes by written notice to the Company and the Trustee,

may declare the principal of and accrued but unpaid interest on all the Notes to be due and payable. Upon such a declaration, such principal and interest shall be due and payable immediately. In the event of a declaration of acceleration of the Notes because an Event of Default described in Section 6.01(6) with respect to other Senior Indebtedness has occurred and is continuing, the declaration of acceleration of the Notes shall be automatically annulled if the Event of Default or payment default triggering such Event of Default pursuant to Section 6.01(6) shall be remedied or cured by the Company or a Subsidiary of the Company or waived by the holders of the relevant Indebtedness within 20 days after the declaration of acceleration with respect thereto and if (1) the annulment of the acceleration of the Notes would not conflict with any judgment or decree of a court of competent jurisdiction, and (2) all existing Defaults or Events of Default, except nonpayment of principal, premium or interest on the Notes that became due solely because of the acceleration of the Notes, have been cured or waived. If an Event of Default specified in Section 6.01(7) or (8) with respect to the Company occurs and is continuing, the principal of and interest on all the Notes shall *ipso facto* become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Noteholders. The Holders of a majority in principal amount of the outstanding Notes by written notice to the Trustee may rescind an acceleration and its consequences if the rescission would not conflict with any judgment or decree and if all existing Events of Default have been cured or waived except nonpayment of principal or interest that has become due solely because of acceleration. No such rescission shall affect any subsequent Default or impair any right consequent thereto.

SECTION 6.03. Other Remedies. If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of or interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Noteholder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative.

SECTION 6.04. Waiver of Past Defaults. The Holders of a majority in principal amount of the Notes by written notice to the Trustee may waive an existing Default and its consequences except (a) a Default in the payment of the principal of or interest on a Note, (b) a Default arising from the failure to redeem or purchase any Note when required pursuant to this Indenture or (c) a Default in respect of a provision that under Section 9.02 cannot be amended without the consent of each Noteholder affected. When a Default is waived, it is deemed cured, but no such waiver shall extend to any subsequent or other Default or impair any consequent right.

SECTION 6.05. Control by Majority. The Holders of a majority in principal amount of the Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture or, subject to Section 7.01, that the Trustee determines is unduly prejudicial to the rights of other Noteholders or would involve the Trustee in personal liability; *provided, however*, that the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with

such direction. Prior to taking any action hereunder, the Trustee shall be entitled to indemnification satisfactory to it in its sole discretion against all losses and expenses caused by taking or not taking such action.

SECTION 6.06. Limitation on Suits. Except to enforce the right to receive payment of principal, premium (if any) or interest when due, no Noteholder may pursue any remedy with respect to this Indenture or the Notes unless:

- (1) the Holder delivers to the Trustee written notice stating that an Event of Default is continuing;
- (2) the Holders of at least 25% in principal amount of the outstanding Notes make a written request to the Trustee to pursue the remedy;
- (3) such Holder or Holders offer to and, if accepted, provide the Trustee security or indemnity satisfactory to the Trustee against any loss, liability or expense;
- (4) the Trustee does not comply with the request within 60 days after receipt of the request and the Trustee has received an offer of and, if accepted, has been provided security or indemnity satisfactory to it; and
- (5) the Holders of a majority in principal amount of the outstanding Notes do not give the Trustee a direction inconsistent with the request thereof during such 60-day period.

A Noteholder may not use this Indenture to prejudice the rights of another Noteholder or to obtain a preference or priority over another Noteholder (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Noteholders). In the event that the Definitive Notes are not issued to any beneficial owner promptly after the Registrar has received a request from the Holder of a Global Note to issue such Definitive Notes to such beneficial owner of its nominee, the Company expressly agrees and acknowledges, with respect to the right of any Holder to pursue a remedy pursuant to this Indenture, the right of such beneficial holder of Notes to pursue such remedy with respect to the portion of the Global Note that represents such beneficial holder's Notes as if such Definitive Notes had been issued.

SECTION 6.07. Rights of Holders to Receive Payment Notwithstanding any other provision of this Indenture, the contractual right expressly set forth in this Indenture or the Notes of any Holder to receive payment of principal of and interest on the Notes held by such Holder, on or after the respective due dates expressed in the Notes, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be amended without the consent of such Holder.

SECTION 6.08. Collection Suit by Trustee. If an Event of Default specified in Section 6.01(1) or (2) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Company for the whole amount then due and owing (together with interest on any unpaid interest to the extent lawful) and the amounts provided for in Section 7.07.

SECTION 6.09. Trustee May File Proofs of Claim. The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee and the Noteholders allowed in any judicial proceedings relative to the Company, its creditors or its property and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent in writing to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee under Section 7.07.

SECTION 6.10. Priorities. If the Trustee collects any money or property pursuant to this Article 6, it shall pay out the money or property in the following order:

FIRST: to the Trustee for amounts due under Section 7.07;

SECOND: to Noteholders for amounts due and unpaid on the Notes for principal and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal and interest, respectively; and

THIRD: to the Company.

The Trustee may fix a record date and payment date for any payment to Noteholders pursuant to this Section. At least 15 days before such record date, the Company shall mail to each Noteholder and the Trustee a notice that states the record date, the payment date and amount to be paid.

SECTION 6.11. Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant (other than the Trustee) in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07 or a suit by Holders of more than 10% in aggregate principal amount of the Notes.

SECTION 6.12. Waiver of Stay or Extension Laws. The Company (to the extent it may lawfully do so) shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

SECTION 6.13. Sole Remedy for Failure to Report Notwithstanding any other provision of this Indenture, the sole remedy for an Event of Default relating to the failure of the Company to comply with its agreements under Section 4.02(a) of this Indenture will for the 180 calendar days after the occurrence of such an Event of Default consist exclusively of the right to receive additional interest ("*Reporting Additional Interest*") on the principal amount of the Notes at a rate equal to 0.50% per annum. This Reporting Additional Interest will be payable in the same manner and on the same interest payment dates and subject to the same terms as other interest payable under this Indenture. Reporting Additional Interest will accrue on all outstanding Notes from and including the date on which such Event of Default relating to a failure to comply with Section 4.02(a) first occurs to but not including the 180th calendar day thereafter (or such earlier date on which the Event of Default relating to a failure to comply with Section 4.02(a) shall have been cured or waived). On such 180th calendar day (or such earlier date on which the Event of Default relating to a failure to comply with Section 4.02(a) shall have been cured or waived), such Reporting Additional Interest will cease to accrue and on such 180th calendar day the Notes will be subject to acceleration and other remedies as provided in this Article 6 if the Event of Default is continuing. For the avoidance of doubt, the provisions of this Section 6.13 will not affect the rights of Holders in the event of the occurrence of any other Event of Default. For the further avoidance of doubt, the Reporting Additional Interest shall not begin accruing until the Company fails to comply with Section 4.02(a) for a period of 60 calendar days after written notice of such failure is given to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 25% in aggregate principal amount of outstanding Notes.

ARTICLE 7

Trustee

SECTION 7.01. Duties of Trustee.

- (a) If an Event of Default has occurred and is continuing, the Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in its exercise of those rights and powers as a prudent Person would exercise or use under the circumstances in the conduct of such Person's own affairs.
- (b) Except during the continuance of an Event of Default:
- (1) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee; and
 - (2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(1) this paragraph (c) does not limit the effect of paragraph (b) of this Section;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05.

(d) Every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b) and (c) of this Section 7.01.

(e) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company.

(f) Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(g) The Trustee may refuse to perform any duty or exercise any right or power or extend or risk its own funds or otherwise incur any financial liability unless it receives indemnity reasonably satisfactory to it against any loss, liability or expense which might be incurred by it.

(h) Every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 7.01.

SECTION 7.02. Rights of Trustee.

(a) The Trustee may conclusively rely on and shall be protected in acting or refraining from acting upon any document believed by it to be genuine and to have been signed or presented by the proper person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on the Officer's Certificate or Opinion of Counsel.

(c) The Trustee may act directly or indirectly through agents or attorneys and shall not be responsible for the misconduct or negligence of any agent or attorney appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers; *provided, however*, that the Trustee's conduct does not constitute willful misconduct or negligence.

(e) The Trustee may consult with counsel, and the advice or opinion of counsel with respect to legal matters relating to this Indenture and the Notes shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(f) Any request or direction of the Company mentioned herein shall be sufficiently evidenced by a written request or direction from the Company or a Company Order and any resolution of the Board of Directors may be sufficiently evidenced by a Board Resolution.

(g) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered and, if accepted, provided to the Trustee security or indemnity satisfactory to the Trustee against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction.

(h) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney at the sole cost of the Company and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(i) In no event shall the Trustee be responsible or liable for special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(j) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

(k) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder;

(l) The Trustee may request that the Company deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture; and

(m) Neither the Trustee in its individual capacity, nor any of its owners, beneficiaries, agents, officers, directors, employees, affiliates, successors or assigns will, in the absence of an express agreement to the contrary, be personally liable for the payment of any amounts required to be paid under the Notes or for the agreements of the Company contained herein.

SECTION 7.03. Individual Rights of Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not Trustee. Any Paying Agent, Registrar, co-registrar or co-paying agent may do the same with like rights. However, the Trustee must comply with Section 7.10.

SECTION 7.04. Trustee's Disclaimer. The recitals contained herein and in the Notes, except the Trustee's certificates of authentication, shall be taken as the statements of the Company, and the Trustee or any Authenticating Agent assumes no responsibility for their correctness. The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Company's use or application of the proceeds from the Notes, and it shall not be responsible for any statement of the Company in this Indenture or in any document issued in connection with the sale of the Notes or in the Notes other than the Trustee's certificate of authentication or the determination as to which beneficial owners are entitled to receive any notices hereunder.

SECTION 7.05. Notice of Defaults. If a Default occurs, is continuing and is known to the Trustee, the Trustee shall mail to each Noteholder notice of the Default within 90 days after it occurs or, if later, within 15 days after it is known to the Trustee, unless such Default has been cured or waived before the giving of such notice. Except in the case of a Default in the payment of principal of or interest on any Note (including payments pursuant to the mandatory redemption provisions of such Note, if any), the Trustee may withhold the notice if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is not opposed to the interest of the Noteholder.

SECTION 7.06. Reports by Trustee to Holders. Within 60 days after each January 15 beginning with the January 15 following the date of this Indenture, and in any event prior to January 15 in each year, the Trustee shall mail to each Noteholder a brief report dated as of such January 15.

A copy of each report at the time of its mailing to Noteholders shall be filed with the SEC and each stock exchange (if any) on which the Notes are listed. The Company agrees to promptly notify the Trustee in writing whenever the Notes become listed on any stock exchange and of any delisting thereof.

SECTION 7.07. Compensation and Indemnity. The Company shall pay to the Trustee from time to time such compensation for its services as the Company and the Trustee

shall from time to time agree in writing. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Company shall reimburse the Trustee upon request for all expenses, disbursements and advances incurred or made by it, including costs of collection, in addition to the compensation for its services. Such expenses shall include the reasonable compensation and expenses, disbursements and advances of the Trustee's agents, counsel, accountants and experts.

The Company agrees to indemnify and hold harmless the Trustee, the respective affiliates of the Trustee, any predecessor Trustee, and the respective officers, directors, employees, agents (including, without limitation each of their counsel), and controlling persons of the Trustee, and each such affiliate (each, an "*Indemnified Party*") from and against any and all claims, actions and suits whether groundless or otherwise, and from and against any and all liabilities, losses, damages and costs and expenses (including, without limitation, the reasonable fees and disbursements of counsel and with respect to the Trustee, reasonably allocated costs and expenses of in-house counsel and legal staff) of every nature and character arising out of or in connection with any actual or threatened claim, litigation, investigation or proceeding relating to this Indenture or the transactions contemplated hereby (other than any such actions or expenses resulting, as determined by a final order of a court of competent jurisdiction, from the gross negligence or willful misconduct of the Indemnified Party seeking indemnification hereunder), in each case including, without limitation, the reasonable fees and disbursements of counsel and allocated costs of in-house counsel and legal staff incurred in connection with any such claim investigation, litigation or other proceeding whether or not such Indemnified Party is a party thereto, and the Company agrees to reimburse each Indemnified Party, upon demand, for all out-of-pocket costs and expenses (including, without limitation, the reasonable fees and disbursements of counsel and with respect to the Trustee, reasonably allocated costs and expenses of in-house counsel and legal staff) incurred in connection with any of the foregoing. In litigation, or the preparation therefor, the Indemnified Parties shall each be entitled to select their own counsel and, in addition to the foregoing indemnity, the Company agrees to pay promptly the reasonable fees and expenses of such counsel. If, and to the extent that the obligations of the Company under this Section 7.07 are unenforceable for any reason, the Company hereby agrees to make the maximum contribution to the payment in satisfaction of such obligations which is permissible under applicable law.

The Company shall not make any claim against any Indemnified Party for any special, indirect, punitive or consequential damages in respect of any breach or wrongful conduct (whether the claim therefor is based in contract, tort or duty imposed by law) in connection herewith, arising out of or in any way related to the transactions contemplated hereby, or any act, omission or event occurring in connection herewith, and hereby waives, releases and agrees not to sue upon any such claim for any such damages, whether or not accrued and whether or not known or suspected to exist in the Company's favor.

The covenants contained in this Section 7.07 shall survive payment or satisfaction in full of all other of the Obligations under this Indenture.

To secure the Company's payment obligations in this Section, the Trustee shall have a lien on all money or property held or collected by the Trustee other than money or property held in trust to pay principal of and interest on particular Notes.

The Company's payment obligations pursuant to this Section shall survive the discharge of this Indenture and the resignation or removal of the Trustee. When the Trustee incurs expenses after the occurrence of a Default specified in Section 6.01(7) or (8) with respect to the Company, the expenses, including the reasonable charges and expenses of its counsel, are intended to constitute expenses of administration under the Bankruptcy Code.

SECTION 7.08. Replacement of Trustee. The Trustee may resign at any time by so notifying the Company, the Paying Agent and the Holders. The Holders of a majority in principal amount of the Notes at the time outstanding may remove the Trustee by so notifying the Trustee and the Company in writing and may appoint a successor Trustee. The Company shall remove the Trustee if:

- (1) the Trustee fails to comply with Section 7.10;
- (2) the Trustee is adjudged bankrupt or insolvent;
- (3) a receiver or other public officer takes charge of the Trustee or its property; or
- (4) the Trustee otherwise becomes incapable of acting.

No resignation or removal of the Trustee shall be effective until a successor Trustee has been appointed. The Company may appoint a temporary trustee until the appointment of such successor Trustee. If the Trustee resigns, is removed by the Company or by the Holders of a majority in principal amount of the Notes and such Holders do not reasonably promptly appoint a successor Trustee, or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Company shall promptly appoint a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Noteholders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee upon the repayment of all the retiring Trustee's fees and expenses then due and payable and, subject to the lien provided for in Section 7.07.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, at the Company's expense, or the Holders of 10% in principal amount of the Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee fails to comply with Section 7.10, any Noteholder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

Notwithstanding the replacement of the Trustee pursuant to this Section, the Company's obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

SECTION 7.09. Successor Trustee by Merger. If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation without any further act shall be the successor Trustee.

In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated, any successor to the Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Notes or in this Indenture provided that the certificate of the Trustee shall have.

SECTION 7.10. Eligibility; Disqualification. The Trustee shall have a combined capital and surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition.

SECTION 7.11. Trustee's Application for Instructions from the Company. Any application by the Trustee for written instructions from the Company may, at the option of the Trustee, set forth in writing any action proposed to be taken or omitted by the Trustee under this Indenture and the date on and/or after which such action shall be taken or such omission shall be effective. The Trustee shall not be liable for any action taken by, or omission of, the Trustee in accordance with a proposal included in such application on or after the date specified in such application (which date shall not be less than three Business Days after the date any officer of the Company actually receives such application, unless any such officer shall have consented in writing to any earlier date) unless prior to taking any such action (or the effective date in the case of an omission), the Trustee shall have received written instructions in response to such application specifying the action to be taken or omitted.

ARTICLE 8

Discharge of Indenture; Defeasance

SECTION 8.01. Discharge of Liability on Notes; Defeasance.

(a) When (1) the Company delivers to the Trustee all outstanding Notes (other than Notes replaced pursuant to Section 2.07) for cancellation or (2) all outstanding Notes have become due and payable, or will become due and payable within one year, in either case, whether at maturity or on a redemption date as a result of the mailing or delivery in accordance with the applicable procedures of DTC of a notice of redemption pursuant to Article 3 hereof or otherwise and the Company or a Subsidiary Guarantor irrevocably deposits with the Trustee money or U.S. Government Obligations sufficient to pay at maturity or upon redemption all outstanding Notes, including interest thereon to maturity or such redemption date (other than Notes replaced pursuant to Section 2.07), and if in either case, the Company pays all other sums payable hereunder by the Company, then this Indenture shall, subject to Section 8.01(c), cease to

be of further effect with respect to all the outstanding Notes and the Note Guarantees in effect at such time will terminate. The Trustee shall join in the execution of a document prepared by the Company acknowledging satisfaction and discharge of this Indenture on demand of the Company accompanied by an Officer's Certificate and an Opinion of Counsel and at the cost and expense of the Company.

(b) Subject to Sections 8.01(c) and 8.02, the Company at any time may terminate (1) all its obligations under the Notes and this Indenture ("*legal defeasance option*") or (2) its obligations under Sections 4.02, 4.03, 4.04, 4.05, 4.06 and 5.01(2) and the operation of Sections 6.01(3) (with respect to Section 5.01(2) only), 6.01(4), 6.01(5), 6.01(6), 6.01(7), 6.01(8), 6.01(9) and 6.01(10) (but, in the case of Sections 6.01(7) and (8), with respect only to Significant Subsidiaries) ("*covenant defeasance option*"). The Company may exercise its legal defeasance option notwithstanding its prior exercise of its covenant defeasance option.

If the Company exercises its legal defeasance option, (i) payment of the Notes may not be accelerated because of an Event of Default with respect thereto and (ii) the Note Guarantees in effect at such time of exercise will terminate. If the Company exercises its covenant defeasance option, payment of the Notes may not be accelerated because of an Event of Default specified in Sections 6.01(3) (with respect to Section 5.01(2) only), 6.01(4), 6.01(5), 6.01(6), 6.01(7), 6.01(8), 6.01(9) and 6.01(10) (but, in the case of Sections 6.01(7) and (8), with respect only to Significant Subsidiaries).

Upon satisfaction of the conditions set forth herein and upon request of the Company, the Trustee shall acknowledge in writing the discharge of those obligations that the Company terminates.

(c) Notwithstanding clauses (a) and (b) above, the Company's obligations in Sections 2.03, 2.04, 2.05, 2.06, 2.07, 2.08, 7.07 and 7.08 and in this Article 8 shall survive until the Notes have been paid in full. Thereafter, the Company's obligations in Sections 7.07 and 8.05 shall survive.

SECTION 8.02. Conditions to Defeasance. The Company may exercise its legal defeasance option or its covenant defeasance option only if:

- (1) the Company or a Guarantor irrevocably deposits in trust with the Trustee money or U.S. Government Obligations for the payment of principal of and interest on the Notes to redemption or maturity, as the case may be;
- (2) the Company delivers to the Trustee a certificate from a nationally recognized firm of independent accountants expressing their opinion that the payments of principal and interest, when due and without reinvestment, on the deposited U.S. Government Obligations, plus any deposited money without investment, will provide cash at such times and in such amounts as will be sufficient to pay principal and interest when due on all the Notes to maturity or redemption, as the case may be;
- (3) 123 days pass after the deposit is made and during the 123-day period no Default specified in Sections 6.01(7) or (8) with respect to the Company occurs which is continuing at the end of the period;

-
- (4) the deposit does not constitute a default under any other agreement binding on the Company;
 - (5) the Company delivers to the Trustee an Opinion of Counsel to the effect that the trust resulting from the deposit does not constitute, or is qualified as, a regulated investment company under the Investment Company Act of 1940, as amended;
 - (6) in the case of the legal defeasance option, the Company shall have delivered to the Trustee an Opinion of Counsel (subject to customary exceptions and exclusions) stating that (A) the Company has received from, or there has been published by, the Internal Revenue Service a ruling, or (B) since the date of this Indenture there has been a change in the applicable Federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Noteholders and beneficial owners of the Notes will not recognize income, gain or loss for Federal income tax purposes as a result of such deposit and defeasance and will be subject to Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred;
 - (7) in the case of the covenant defeasance option, the Company shall have delivered to the Trustee an Opinion of Counsel (subject to customary exceptions and exclusions) to the effect that the Noteholders and beneficial owners of the Notes will not recognize income, gain or loss for Federal income tax purposes as a result of such covenant defeasance and will be subject to Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such covenant defeasance had not occurred; and
 - (8) the Company delivers to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent to the defeasance and discharge of the Notes as contemplated by this Article 8 have been complied with.

Before or after a deposit, the Company may make arrangements satisfactory to the Trustee for the redemption of Notes at a future date in accordance with Article 3.

SECTION 8.03. Application of Trust Money. Subject to Section 8.04, the Trustee shall hold in trust money or U.S. Government Obligations (including proceeds thereof) deposited with it pursuant to this Article 8. It shall apply the deposited money and the money from U.S. Government Obligations through the Paying Agent and in accordance with this Indenture to the payment of principal of and interest on the Notes.

SECTION 8.04. Repayment to Company. Each of the Trustee and the Paying Agent shall pay to the Company upon written request any excess money, U.S. Government Obligations or securities held by them at any time.

Subject to any applicable abandoned property law, the Trustee and the Paying Agent shall pay to the Company upon written request any money held by them for the payment of principal or interest with respect to the Notes that remains unclaimed for two years, and, thereafter, Noteholders entitled to the money must look to the Company for payment as general creditors, unless an applicable abandoned property law designates another person and the Trustee and the Paying Agent shall have no further liability to the Holders with respect to such money for that period commencing after the return thereof.

SECTION 8.05. Indemnity for Government Obligations. The Company shall pay and shall indemnify the Trustee against any tax, fee or other charge imposed on or assessed against deposited U.S. Government Obligations or the principal and interest received on such U.S. Government Obligations, except with respect to any such tax, fee or other charge which by law is for the account of the Noteholders; provided, however, it is understood and agreed that the Trustee shall not be responsible for any such tax, fee or other charge.

SECTION 8.06. Reinstatement. If the Trustee or Paying Agent is unable to apply any money or U.S. Government Obligations in accordance with this Article 8 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's obligations under this Indenture, and the Notes so discharged or defeased shall be revived and reinstated as though no deposit had occurred pursuant to this Article 8 until such time as the Trustee or Paying Agent is permitted to apply all such money or U.S. Government Obligations in accordance with this Article 8; *provided, however,* that, if the Company has made any payment of interest on or principal of any Notes because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or U.S. Government Obligations held by the Trustee or Paying Agent.

ARTICLE 9

Amendments

SECTION 9.01. Without Consent of Holders. The Company, the Guarantors and the Trustee may amend this Indenture, the Notes or the Note Guarantees without notice to or consent of any Noteholder:

- (1) to cure any ambiguity, omission, defect or inconsistency;
- (2) to comply with Article 5;
- (3) to provide for uncertificated Notes in addition to or in place of certificated Notes *provided,* that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code;
- (4) to add Guarantees with respect to the Notes, including any Subsidiary Guarantees, or to secure the Notes;
- (5) to add to the covenants of the Company or any of its Subsidiaries for the benefit of the Holders or to surrender any right or power herein conferred upon the Company or any of its Subsidiaries;
- (6) to make any change that does not adversely affect the rights of any Noteholder;

(7) to release a Guarantor from its obligations under its Guarantee or this Indenture in accordance with the applicable provisions of this Indenture;

(8) to conform the text of this Indenture, the Notes or the Note Guarantees to any provision in the Offering Memorandum under the heading "Description of notes"; or

(9) to make any amendment to the provisions of this Indenture relating to the transfer and legending of Notes; *provided, however,* that (a) compliance with this Indenture as so amended would not result in Notes being transferred in violation of the Securities Act or any other applicable securities law and (b) such amendment does not materially and adversely affect the rights of Holders to transfer such Notes.

After an amendment under this Section becomes effective, the Company shall mail to Noteholders a notice briefly describing such amendment. The failure to give such notice to all Noteholders, or any defect therein, shall not impair or affect the validity of an amendment under this Section.

SECTION 9.02. With Consent of Holders. The Company, the Guarantors and the Trustee may amend this Indenture, the Notes or the Note Guarantees with the written consent of the Holders of at least a majority in principal amount of the Notes then outstanding (including consents obtained in connection with a tender offer or exchange offer for the Notes) and any past default or compliance with any provisions may also be waived with the consent of the Holders of at least a majority in principal amount of the Notes then outstanding (including consents obtained in connection with a tender offer or exchange offer for the Notes). However, without the consent of each Noteholder affected thereby, an amendment or waiver may not, among other things:

- (1) reduce the amount of Notes whose Holders must consent to an amendment;
- (2) reduce the rate of or extend the time for payment of interest on any Note;
- (3) reduce the principal of or change the Stated Maturity of any Note;
- (4) reduce the amount payable upon the redemption of any Note or change the time at which any Note may be redeemed as described in Article 3 hereto or paragraph 6 of the Notes;
- (5) make any Note payable in money other than that stated in the Note;
- (6) make any changes in the ranking or priority of any Note that would adversely affect the Noteholders thereof;
- (7) make any change in Section 6.04 or 6.07 or this second sentence of this Section 9.02;
- (8) amend the contractual right expressly set forth in this Indenture or the Notes of any holder of the Notes to receive payment of principal of and interest on such holder's Notes on or after the due dates therefor or to institute suit for the enforcement of any payment on or with respect to such holder's Notes; or

(9) release any Guarantor from its Guarantee under this Indenture except in accordance with this Indenture.

It shall not be necessary for the consent of the Holders under this Section to approve the particular form of any proposed amendment, but it shall be sufficient if such consent approves the substance thereof.

After an amendment under this Section 9.02 becomes effective, the Company shall mail to Noteholders a notice briefly describing such amendment. The failure to give such notice to all Noteholders, or any defect therein, shall not impair or affect the validity of an amendment under this Section 9.02.

SECTION 9.03. Revocation and Effect of Consents and Waivers. A consent to an amendment or a waiver by a Holder of a Note shall bind the Holder and every subsequent Holder of that Note or portion of the Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent or waiver is not made on the Note. However, any such Holder or subsequent Holder may revoke the consent or waiver as to such Holder's Note or portion of the Note if the Trustee receives the written notice of revocation before the date the amendment or waiver becomes effective. After an amendment or waiver becomes effective, it shall bind every Noteholder. An amendment or waiver becomes effective upon (i) receipt by the Company or the Trustee of consents by the Holders of the requisite principal amount of securities, (ii) satisfaction of conditions to effectiveness as set forth in this Indenture and any indenture supplemental hereto containing such amendment or waiver and (iii) the execution of such amendment or waiver by the Trustee.

The Company may, but shall not be obligated to, fix a record date for the purpose of determining the Noteholders entitled to give their consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding the immediately preceding paragraph, those Persons who were Noteholders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date.

SECTION 9.04. Notation on or Exchange of Notes. If an amendment, supplement or waiver changes the terms of a Note, the Trustee or the Company may require the Holder of the Note to deliver it to the Trustee. The Trustee may place an appropriate notation on the Note regarding the changed terms and return it to the Holder. Alternatively, if the Company or the Trustee so determines, the Company in exchange for the Note shall issue and the Trustee shall authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or to issue a new Note shall not affect the validity of such amendment.

SECTION 9.05. Trustee To Sign Amendments. The Trustee shall sign any amendment, supplement or waiver to this Indenture authorized pursuant to this Article 9 if the

amendment does not adversely affect the rights, duties, liabilities or immunities of the Trustee. If it does, the Trustee may but need not sign it. In signing such amendment the Trustee shall be entitled to receive indemnity reasonably satisfactory to it and to receive, and (subject to Section 7.01) shall be fully protected in relying upon, an Officer's Certificate and an Opinion of Counsel stating that such amendment, supplement or waiver is authorized or permitted by this Indenture.

ARTICLE 10

Guarantee

SECTION 10.01. Guarantee.

(a) Subject to this Article 10, each of the Guarantors shall, jointly and severally, unconditionally guarantee to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Company hereunder or thereunder, that:

(1) the principal of, premium and interest on the Notes will be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest on the Notes, if any, if lawful, and all other obligations of the Company to the Holders or the Trustee hereunder or thereunder will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and

(2) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at Stated Maturity, by acceleration or otherwise.

Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors will be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

(b) The Guarantors hereby agree that their obligations hereunder are unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against the Company, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor. Each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Company, any right to require a proceeding first against the Company, protest, notice and all demands whatsoever and covenant that this Note Guarantee will not be discharged except by complete performance of the obligations contained in the Notes and this Indenture.

(c) If any Holder or the Trustee is required by any court or otherwise to return to the Company, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to either the Company or the Guarantors, any amount paid by either to the Trustee or such Holder, this Note Guarantee, to the extent theretofore discharged, will be reinstated in full force and effect.

(d) Each Guarantor agrees that it will not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (1) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 hereof for the purposes of this Note Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (2) in the event of any declaration of acceleration of such obligations as provided in Article 6 hereof, such obligations (whether or not due and payable) will forthwith become due and payable by the Guarantors for the purpose of this Note Guarantee. The Guarantors will have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under this Note Guarantee.

SECTION 10.02. Limitation on Guarantor Liability. Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that this Note Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Code, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Note Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the Obligations of such Guarantor will be limited to the maximum amount that will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the Obligations of such other Guarantor under this Article 10, result in the Obligations of such Guarantor under its Note Guarantee not constituting a fraudulent transfer or conveyance.

SECTION 10.03. Delivery of Note Guarantee

The delivery of any Note by the Trustee, after the authentication thereof hereunder, will constitute due delivery of the Note Guarantee set forth in this Indenture or any supplemental indenture on behalf of the Guarantors. Neither the Company nor any Guarantor shall be required to make a notation on the Notes to reflect any Note Guarantee or any such release, termination or discharge thereof.

In the event that a Subsidiary that is not a Guarantor Incurs Indebtedness, and does not do so pursuant to Section 4.03(b) of this Indenture, the Company will cause such Subsidiary to comply with the provisions of Section 10.6 and this Article 10 and become a Guarantor hereunder.

SECTION 10.04. Guarantors May Consolidate, etc., on Certain Terms

Except as otherwise provided in Section 10.05 hereof, no Person that becomes a Guarantor may at any time on or after the date hereof sell or otherwise dispose of all or substantially all of its assets to, or consolidate with or merge with or into (whether or not such Guarantor is the surviving Person) another Person, other than the Company or another Guarantor, unless immediately after giving effect to such transaction, no Default or Event of Default exists.

Except as set forth in Articles 4 and 5 hereof, and notwithstanding this Section 10.04, nothing contained in this Indenture or in any of the Notes will prevent any consolidation or merger of a Guarantor with or into the Company or another Guarantor, or will prevent any sale or conveyance of the property of a Guarantor as an entirety or substantially as an entirety to the Company or another Guarantor.

The Trustee, subject to the provisions of Section 11.03 hereof, will receive an Officer's Certificate and an Opinion of Counsel as conclusive evidence that any such consolidation, merger, sale or conveyance, and any such assumption of Obligations, comply with the provisions of this Section 10.04 hereof. Such certificate and opinion will comply with the provisions of Section 11.04.

SECTION 10.05. Releases

(a) In the event of any sale or other disposition of all or substantially all of the assets of any Guarantor, by way of merger, consolidation or otherwise, or a sale or other disposition of all of the Capital Stock of any Guarantor, in each case to a Person that is not (either before or after giving effect to such transaction) the Company or a Subsidiary of the Company, then such Guarantor (in the event of a sale or other disposition, by way of merger, consolidation or otherwise, of all of the Capital Stock of such Guarantor) or the corporation acquiring the property (in the event of a sale or other disposition of all or substantially all of the assets of such Guarantor) will be released and relieved of any obligations under its Note Guarantee. Upon delivery by the Company to the Trustee of an Officer's Certificate and an Opinion of Counsel to the effect that such sale or other disposition was made by the Company in accordance with the provisions of this Indenture, the Trustee will execute any documents reasonably required in order to evidence the release of any Guarantor from its obligations under its Note Guarantee.

(b) If the legal defeasance option is exercised or this Indenture is otherwise discharged in accordance with Article 8 hereof, each Guarantor will be released and relieved of any obligations under its Note Guarantee.

Any Guarantor not released from its obligations under its Note Guarantee as provided in this Section 10.05 will remain liable for the full amount of principal of and interest and premium, if any, on the Notes and for the other obligations of any Guarantor under this Indenture as provided in this Article 10.

SECTION 10.06. Addition of Guarantors.

If the Company is required to cause a Subsidiary to become a Guarantor pursuant to Section 4.03(a) and 10.03, the Company will cause such Subsidiary to (1) execute and deliver to

the Trustee a supplemental indenture substantially in the form of Annex 1 hereto pursuant to which such Subsidiary will unconditionally Guarantee all of the Company's Obligations under the Notes on the terms set forth in this Indenture and (2) deliver, in the time period required by Section 4.03, to the Trustee an Opinion of Counsel reasonably satisfactory to the Trustee that such supplemental indenture has been duly executed and delivered by such Subsidiary; *provided, however*, that if any such new Guarantor is an FCC License Subsidiary, it shall become a Guarantor hereunder only to the extent permitted under applicable law, rules or regulations, including rules and regulations of the Federal Communications Commission.

(A) if such Definitive Notes are being delivered to the Registrar by a Holder for registration in the name of such Holder, without transfer, a written certification from such Holder to that effect; or

(B) if such Definitive Notes are being transferred to the Company, a written certification to that effect; or

(ii) written instructions directing the Trustee to make, or to direct the Notes Custodian to make, an adjustment on its books and records with respect to such Rule 144A Global Note (in the case of a transfer pursuant to clause (b)(i)(A)), IAI Global Note (in the case of a transfer pursuant to clause (b)(1)(B)) or Regulation S Permanent Global Note (in the case of a transfer pursuant to clause (b)(i)(C)) to reflect an increase in the aggregate principal amount of the Notes represented by the Rule 144A Global Note, IAI Global Note or Regulation S Permanent Global Note, as applicable, such instructions to contain information regarding the Depository account to be credited with such increase,

then the Trustee shall cancel such Definitive Note and cause, or direct the Notes Custodian to cause, in accordance with the standing instructions and procedures existing between the Depository and the Notes Custodian, the aggregate principal amount of Notes represented by the Rule 144A Global Note, IAI Global Note or Regulation S Permanent Global Note, as applicable, to be increased by the aggregate principal amount of the Definitive Note to be exchanged and shall credit or cause to be credited to the account of the Person specified in such instructions a beneficial interest in the Rule 144A Global Note, IAI Global Note or Regulation S Permanent Global Note, as applicable, equal to the principal amount of the Definitive Note so canceled. (c) Transfer and Exchange of Global Notes. (i) The transfer and exchange of Global Notes or beneficial interests therein shall be effected through the Depository, in accordance with this Indenture (including applicable restrictions on transfer set forth herein, if any) and the procedures of the Depository therefor; *provided, however*, that prior to the expiration of the Distribution Compliance Period, transfers of beneficial interests in the Regulation S Temporary Global Note may not be made to a U.S. Person or for the account or benefit of a U.S. Person (other than an Initial Purchaser). A transferor of a beneficial interest in a Global Note shall deliver to the Registrar a written order given in accordance with the Depository's procedures containing information regarding the participant account of the Depository to be credited with a beneficial interest in the Global Note. The Registrar shall, in accordance with such instructions instruct the Depository to credit to the account of the Person specified in such instructions a beneficial interest in the Global Note and to debit the account of the Person making the transfer the beneficial interest in the Global Note being transferred.

(ii) If the proposed transfer is a transfer of a beneficial interest in one Global Note to a beneficial interest in another Global Note, the Registrar shall reflect on its books and records the date and an increase in the principal amount of the Global Note to which such interest is being transferred in an amount equal to the principal amount of the interest to be so transferred, and the Registrar shall reflect on its books and records the date and a corresponding decrease in the principal amount of the Global Note from which such interest is being transferred.

(iii) Notwithstanding any other provisions of this Appendix (other than the provisions set forth in Section 2.4), a Global Note may not be transferred as a whole except by the Depository to a nominee of the Depository or by a nominee of the Depository to the Depository or another nominee of the Depository or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository.

Each Definitive Note shall also bear the following additional legend:

IN CONNECTION WITH ANY TRANSFER, THE HOLDER WILL DELIVER TO THE REGISTRAR AND TRANSFER AGENT SUCH CERTIFICATES AND OTHER INFORMATION AS SUCH TRANSFER AGENT MAY REASONABLY REQUIRE TO CONFIRM THAT THE TRANSFER COMPLIES WITH THE FOREGOING RESTRICTIONS.

(ii) Upon any sale or transfer of a Transfer Restricted Note (including any Transfer Restricted Note represented by a Global Note) pursuant to Rule 144 under the Securities Act, the Registrar shall permit the transferee thereof to exchange such Transfer Restricted Note for a certificated Note that does not bear the legend set forth above and rescind any restriction on the transfer of such Transfer Restricted Note, if the transferor thereof certifies in writing to the Registrar that such sale or transfer was made in reliance on Rule 144 (such certification to be in the form set forth on the reverse of the Note).

(f) Cancellation or Adjustment of Global Note. At such time as all beneficial interests in a Global Note have either been exchanged for Definitive Notes, redeemed, purchased or canceled, such Global Note shall be returned to the Depository for cancellation or retained and canceled by the Trustee. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for certificated Notes, redeemed, purchased or canceled, the principal amount of Notes represented by such Global Note shall be reduced and an adjustment shall be made on the books and records of the Trustee (if it is then the Notes Custodian for such Global Note) with respect to such Global Note, by the Trustee or the Notes Custodian, to reflect such reduction.

(g) No Obligation of the Trustee.

(i) The Trustee shall have no responsibility or obligation to any beneficial owner of a Global Note, a member of, or a participant in the Depository or other Person with respect to the accuracy of the records of the Depository or its nominee or of any participant or member thereof, with respect to any ownership interest in the Notes or with respect to the delivery to any participant, member, beneficial owner or other Person (other than the Depository) of any notice (including any notice of redemption) or the payment of any amount, under or with respect to such Notes. All notices and communications to be given to the Holders and all payments to be made to Holders under the Notes shall be given or made only to or upon the order of the registered Holders (which shall be the Depository or its nominee in the case of a Global Note). The rights of beneficial owners in any Global Note shall be exercised only through the Depository subject to the applicable rules and procedures of the Depository. The Trustee may conclusively rely and shall be fully protected in relying upon information furnished by the Depository with respect to its members, participants and any beneficial owners.

(ii) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Depository participants, members or beneficial owners in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by, the terms of this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

2.4. Definitive Notes.

(a) A Global Note deposited with the Depository or with the Trustee as Notes Custodian for the Depository pursuant to Section 2.1 shall be transferred to the beneficial owners thereof in the form of Definitive Notes in an aggregate principal amount equal to the principal amount of such Global Note, in exchange for such Global Note, only if such transfer complies with Section 2.3 hereof and (i) the Depository notifies the Company that it is unwilling or unable to continue as Depository for such Global Note and the Depository fails to appoint a successor depository or if at any time such Depository ceases to be a "clearing agency" registered under the Exchange Act, in either case, and a successor depository is not appointed by the Company within 90 days of such notice, or (ii) an Event of Default has occurred and is continuing or (iii) the Company, in its sole discretion, notifies the Trustee in writing that it elects to cause the issuance of Definitive Notes under this Indenture.

(b) Any Global Note that is transferable to the beneficial owners thereof pursuant to this Section 2.4 shall be surrendered by the Depository to the Trustee located at its principal corporate trust office in the Borough of Manhattan, The City of New York, to be so transferred, in whole or from time to time in part, without charge, and the Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Note, an equal aggregate principal amount of Definitive Notes of authorized denominations. Any portion of a Global Note transferred pursuant to this Section 2.4 shall be executed, authenticated and delivered only in denominations of \$2,000 principal amount and any integral multiple of \$1,000 in excess of \$2,000 and registered in such names as the Depository shall direct. Any Definitive Note delivered in exchange for an interest in the Transfer Restricted Note shall, except as otherwise provided by Section 2.3(f) hereof, bear the applicable restricted securities legend and definitive securities legend set forth in Exhibit 1 hereto.

(c) Subject to the provisions of Section 2.4(b) hereof, the registered Holder of a Global Note shall be entitled to grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under this Indenture or the Notes.

(d) In the event of the occurrence of one of the events specified in Section 2.4(a) hereof, the Company shall promptly make available to the Trustee a reasonable supply of Definitive Notes in definitive, fully registered form without interest coupons. In the event that such Definitive Notes are not issued, the Company expressly acknowledges, with respect to the right of any Holder to pursue a remedy pursuant to Section 6.06 of this Indenture, the right of any beneficial owner of Notes to pursue such remedy with respect to the portion of the Global Note that represents such beneficial owner's Notes as if such Definitive Notes had been issued.

[FORM OF REVERSE SIDE OF NOTE]
4.000% Senior Note due 2028

1. Interest

Sirius XM Radio Inc., a Delaware corporation (such corporation and its successors and assigns under the Indenture hereinafter referred to, being herein called the “*Company*”), promises to pay interest on the principal amount of this Note at the rate per annum shown above. The Company will pay interest semiannually on January 15 and July 15 of each year, commencing January 15, 2022. Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from June 21, 2021. Interest will be computed on the basis of a 360-day year of twelve 30-day months. The Company will pay interest on overdue principal at the rate borne by this Note, and it will pay interest on overdue installments of interest at the same rate to the extent lawful.

2. Maturity

The Notes will mature on July 15, 2028.

3. Method of Payment

The Company will pay interest on the Notes (except defaulted interest) to the Persons who are registered holders of Notes at the close of business on the January 1 and July 1 next preceding the interest payment date even if Notes are canceled after the record date and on or before the interest payment date. Holders must surrender Notes to a Paying Agent to collect principal payments. The Company will pay principal and interest in money of the United States that at the time of payment is legal tender for payment of public and private debts. Payments in respect of the Notes represented by a Global Note (including principal, premium and interest) will be made by wire transfer of immediately available funds to the accounts specified by The Depository Trust Company. The Company will make all payments in respect of a certificated Note (including principal, premium and interest) at the office of the Paying Agent, except that, at the option of the Company, payment of interest may be made by mailing a check to the registered address of each Holder thereof; *provided, however*, that payments on a certificated Note will be made by wire transfer to a U.S. dollar account maintained by the payee with a bank in the United States if such Holder elects payment by wire transfer by giving written notice to the Trustee or the Paying Agent to such effect designating such account no later than 30 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion).

4. Paying Agent and Registrar

Initially, U.S. Bank National Association, a national banking association (the “*Trustee*”), will act as Paying Agent and Registrar. The Company may appoint and change any Paying Agent, Registrar or co-registrar without notice. The Company or any of its domestically incorporated Wholly Owned Subsidiaries may act as Paying Agent, Registrar or co-registrar.

5. Indenture

The Company issued the Notes under an Indenture dated as of June 21, 2021 (the “*Indenture*”), among the Company, the Guarantors and the Trustee. The terms of the Notes include those stated in the Indenture. Terms defined in the Indenture and not defined herein have the meanings ascribed thereto in the Indenture. The Notes are subject to all such terms, and Noteholders are referred to the Indenture for a statement of those terms.

The Notes are general unsecured senior obligations of the Company. The Company shall be entitled to issue Additional Notes pursuant to Section 2.13 of the Indenture. The Notes issued on the Issue Date and any Additional Notes will be treated as a single class for all purposes under the Indenture, including waivers, amendments, redemptions and offers to purchase. The Indenture contains covenants that limit the ability of the Company and its subsidiaries to create certain liens on assets; consolidate, merge or transfer all or substantially all of its assets and the assets of its subsidiaries; and enter into sale/leaseback transactions. The Indenture also contains a covenant that restricts the ability of the Company’s non-guarantor subsidiaries to create, assume, incur or guarantee additional indebtedness without such non-guarantor subsidiary guaranteeing the Notes. These covenants are subject to important exceptions and qualifications.

6. Optional Redemption

At any time prior to July 15, 2024, the Company may on any one or more occasions redeem up to 40% of the aggregate principal amount of Notes issued under the Indenture at a redemption price equal to 104.000% of the principal amount thereof, plus accrued and unpaid interest, if any, to the date of redemption (subject to the rights of Holders on the relevant record date to receive interest on the relevant interest payment date), with the Net Cash Proceeds from the issuance or sale of Capital Stock of the Company; *provided* that:

- (i) at least 60% of the aggregate principal amount of Notes originally issued under the Indenture (excluding Notes held by the Company and its Affiliates) remains outstanding immediately after the occurrence of such redemption; and
- (ii) the redemption occurs within 180 days of the date of the closing of such issuance or sale of Capital Stock.

At any time prior to July 15, 2024, the Company, at its option, may redeem all, or from time to time, any part of the Notes on not less than 10 days nor more than 60 days’ notice as provided in the Indenture (except that, notwithstanding the provisions of Section 3.02 of the Indenture, any notice of redemption for the Notes given pursuant to said Section need not set forth the redemption price but only the manner of calculation thereof) at a Make Whole Redemption Price equal to the greater of the following amounts, plus, in each case, accrued and unpaid interest, if any, and additional interest on the principal amount being redeemed to the applicable redemption date:

- (i) 100% of the principal amount of the Notes then outstanding to be so redeemed; and

(ii) the present value of the sum of the redemption price of the Notes at July 15, 2024 (such redemption price being set forth in the table appearing below hereunder) and the remaining scheduled payments of interest on the Notes to be redeemed, to, but excluding July 15, 2024, discounted to the applicable redemption date in accordance with customary market practice on a semi-annual basis at a rate equal to the sum of the Treasury Rate plus 0.50%, minus accrued and unpaid interest and additional interest on the principal amount being redeemed to, but excluding, the applicable redemption date.

The Make Whole Redemption Price for the Notes will be calculated by the Independent Investment Banker assuming a 360-day year consisting of twelve 30-day months.

For purposes of calculating the Make Whole Redemption Price pursuant to the foregoing optional redemption provisions, the following terms will have the meanings set forth below.

“*Comparable Treasury Issue*” means the U.S. Treasury security or securities selected by the Independent Investment Banker as having an actual or interpolated maturity most nearly equal to the period from the redemption date to July 15, 2024; *provided*, that if the period from the redemption date to July 15, 2024 is less than one year, the weekly average yield on actually traded United States Treasury securities adjusted to a constant maturity of one year will be used.

“*Comparable Treasury Price*” means, with respect to any redemption date:

- (i) the average of the Reference Treasury Dealer Quotations for that redemption date, after excluding the highest and lowest of the Reference Treasury Dealer Quotations;
- (ii) if the Trustee obtains fewer than four Reference Treasury Dealer Quotations, the average of all Reference Treasury Dealer Quotations so received; or
- (iii) if only one Reference Treasury Dealer Quotation is received, such quotation.

“*Independent Investment Banker*” means one of the Reference Treasury Dealers selected by the Company.

“*Reference Treasury Dealer*” means each of four primary U.S. Government securities dealers in New York City (each a “*Primary Treasury Dealer*”), consisting of (i) J.P. Morgan Securities LLC (or its affiliate), and (ii) three other nationally recognized investment banking firms (or their affiliates) that the Company selects in connection with the particular redemption, and their respective successors, *provided* that if any of them ceases to be a Primary Treasury Dealer, the Company will substitute another nationally recognized investment banking firm (or its affiliate) that is a Primary Treasury Dealer.

“*Reference Treasury Dealer Quotations*” means, with respect to each Reference Treasury Dealer and any redemption date, the average, as determined by the Independent Investment Banker, of the bid and asked prices for the Comparable Treasury Issue (expressed as a percentage of its principal amount) quoted in writing to the Independent Investment Banker by such Reference Treasury Dealer at 3:30 p.m., New York City time, on the third Business Day preceding that redemption date.

“*Treasury Rate*” means, with respect to any redemption date, the rate per year equal to the semi-annual equivalent yield to maturity or interpolated maturity (on a day count basis) of the Comparable Treasury Issue, calculated on the third Business Day preceding the applicable redemption date, assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for that redemption date.

Except pursuant to this Section 6, the Notes shall not be redeemable at the Company’s option prior to July 15, 2024.

On or after July 15, 2024, the Company may on any one or more occasions redeem all or a part of the Notes on not less than 10 days nor more than 60 days’ notice, at the redemption prices (expressed as percentages of principal amount) set forth below, plus accrued and unpaid interest and additional interest, if any, on the Notes redeemed, to, but excluding, the applicable redemption date, if redeemed during the twelve-month period beginning on July 15 of the years indicated below, subject to the rights of Holders on the relevant record date to receive interest and additional interest, if any, on the relevant interest payment date:

| <u>Year</u> | <u>Percentage</u> |
|---------------------|-------------------|
| 2024 | 102.000% |
| 2025 | 101.000% |
| 2026 and thereafter | 100.000% |

Notwithstanding the foregoing, in connection with any tender offer for the Notes at any time, if Holders of not less than 90% in aggregate principal amount of outstanding Notes validly tender and do not withdraw such Notes in such tender offer and the Company, or any third party making such tender offer in lieu of the Company, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Company or such third party will have the right upon not less than 10 days nor more than 60 days’ prior notice, given not more than 30 days following such purchase date, to redeem (with respect to the Company) or purchase (with respect to a third party) all Notes that remain outstanding following such purchase at a price equal to the price paid to each other Holder in such tender offer (which may be less than par) plus, to the extent not included in the tender offer payment, accrued and unpaid interest, if any, thereon, to, but excluding, the applicable redemption date or purchase date, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date falling on or prior to such redemption date or purchase date.

Unless the Company defaults in the payment of the applicable redemption price, on or after the applicable redemption date, interest will cease to accrue on the Notes or portions of the Notes called for redemption.

If the optional redemption date is after an interest record date and on or before the related interest payment date, the accrued and unpaid interest, if any, will be paid to the Person in whose name the Note is registered at the close of business, on such record date, and no additional interest shall be payable to Holders whose Notes are subject to redemption by the Company.

7. Notice of Redemption

Notice of redemption will be mailed by first-class mail or delivered in accordance with the applicable procedures of DTC at least 10 days but not more than 60 days before the redemption date to each Holder of Notes to be redeemed at such Holder's registered address. If such notice of redemption is subject to satisfaction of one or more conditions precedent, such notice will state that, in the Company's discretion, the redemption date may be delayed until such time as any or all such conditions are satisfied (which, for the avoidance of doubt, may be later than 60 days from the date such notice was delivered or mailed), or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions have not been satisfied by the redemption date, or by the redemption date so delayed. Notes in denominations larger than \$2,000 principal amount may be redeemed in part but only in whole multiples of \$1,000 in excess of \$2,000. If money sufficient to pay the redemption price of and accrued interest on all Notes (or portions thereof) to be redeemed on the redemption date is deposited with the Paying Agent on or before the redemption date and certain other conditions are satisfied, on and after such date interest ceases to accrue on such Notes (or such portions thereof) called for redemption.

8. Put Provisions

Upon the occurrence of a Change of Control Triggering Event, any Holder of Notes will have the right to cause the Company to repurchase all or any part of the Notes of such Holder at a repurchase price equal to 101% of the principal amount of the Notes to be repurchased plus accrued and unpaid interest, if any, to the date of repurchase (subject to the right of Holders of record on the relevant record date to receive interest due on the related interest payment date) as provided in, and subject to the terms of, the Indenture.

If Holders of not less than 90% in aggregate principal amount of the outstanding Notes validly tender and do not withdraw such Notes in a Change of Control Offer and the Company, or any third party making a Change of Control Offer in lieu of the Company as described above, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Company or such third party will have the right, upon not less than 10 days nor more than 60 days' prior notice (provided that such notice is given not more than 30 days following such purchase pursuant to the Change of Control Offer set forth above) to redeem all Notes that remain outstanding following such purchase at a price in cash equal to 101% of the aggregate principal amount of such Notes, plus accrued and unpaid interest on the Notes that remain outstanding to, but excluding, the date of redemption (subject to the right of Holders of record on the relevant record date to receive interest due on an interest payment date that is on or prior to the redemption date).

A "Change of Control Triggering Event" means the occurrence of both a Change of Control and a Ratings Event.

9. Denominations; Transfer; Exchange

The Notes are in registered form without coupons in denominations of \$2,000 principal amount and any integral multiple of \$1,000 in excess of \$2,000. A Holder may transfer

or exchange Notes in accordance with the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements or transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. The Registrar need not register the transfer of or exchange any Notes selected for redemption (except, in the case of a Note to be redeemed in part, the portion of the Note not to be redeemed) or any Notes for a period of 15 days before a selection of Notes to be redeemed or 15 days before an interest payment date.

10. Persons Deemed Owners

The registered Holder of this Note may be treated as the owner of it for all purposes.

11. Unclaimed Money

If money for the payment of principal or interest remains unclaimed for two years, the Trustee or Paying Agent shall pay the money back to the Company at its request unless an abandoned property law designates another Person. After any such payment, Holders entitled to the money must look only to the Company and not to the Trustee for payment.

12. Discharge and Defeasance

Subject to certain conditions, the Company at any time shall be entitled to terminate some or all of its obligations under the Notes and the Indenture if the Company deposits with the Trustee money or U.S. Government Obligations for the payment of principal and interest on the Notes to redemption or maturity, as the case may be.

13. Amendment; Waiver

Subject to certain exceptions set forth in the Indenture, (a) the Indenture and the Notes may be amended with the written consent of the Holders of at least a majority in principal amount outstanding of the Notes (including consents obtained in connection with a tender offer or exchange offer for the Notes) and (b) any past default or noncompliance with any provision may be waived with the written consent of the Holders of a majority in principal amount outstanding of the Notes (including consents obtained in connection with a tender offer or exchange offer for the Notes). Subject to certain exceptions set forth in the Indenture, without the consent of any Noteholder, the Company, and the Trustee shall be entitled to amend the Indenture or the Notes to cure any ambiguity, omission, defect or inconsistency, or to comply with Article 5 of the Indenture, or to provide for uncertificated Notes in addition to or in place of certificated Notes, or to add guarantees with respect to the Notes or to secure the Notes, or to add covenants or surrender rights and powers conferred on the Company or any of its Subsidiaries, or to make any change that does not adversely affect the rights of any Noteholder, or to release a Guarantor from its obligations under its Guarantee or the Indenture, or to conform the text of the Indenture, the Notes or the Note Guarantees to any provision in the Offering Memorandum under the heading "Description of notes," or to make amendments to provisions of the Indenture relating to the transfer and legending of the Notes.

14. Defaults and Remedies

Under the Indenture, Events of Default include (a) default for 30 days in payment of interest on the Notes; (b) default in payment of principal on the Notes at maturity, upon redemption pursuant to paragraph 6 of the Notes, upon acceleration or otherwise, or failure by the Company to purchase Notes when required; (c) failure by the Company to comply with other agreements in the Indenture or the Notes, in certain cases subject to notice and lapse of time; (d) certain accelerations (including failure to pay within any grace period after final maturity) of other Indebtedness of the Company if the amount accelerated (or so unpaid) exceeds \$300 million; (e) certain events of bankruptcy or insolvency with respect to the Company and the Significant Subsidiaries; (f) certain judgments or decrees for the payment of money in excess of \$300 million and (g) a subsidiary Guarantee of a Significant Subsidiary ceases to be in full force and effect. If an Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the Notes may declare all the Notes to be due and payable immediately. Certain events of bankruptcy or insolvency relating to the Company are Events of Default which will result in the Notes being due and payable immediately upon the occurrence of such Events of Default.

Noteholders may not enforce the Indenture or the Notes except as provided in the Indenture. The Trustee may refuse to enforce the Indenture or the Notes unless it receives indemnity or security satisfactory to it. Subject to certain limitations, Holders of a majority in principal amount of the Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Noteholders notice of any continuing Default (except a Default in payment of principal or interest) if it determines that withholding notice is in the interest of the Holders.

15. Trustee Dealings with the Company

Subject to certain limitations imposed by the Act, the Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not Trustee.

16. No Recourse Against Others

A director, officer, employee, incorporator or stockholder, as such, of the Company, any of its Subsidiaries or any Guarantor or the Trustee shall not have any liability for any obligations of the Company, its Subsidiaries, any of their Subsidiaries or any Guarantor under the Notes or the Indenture or for any claim based on, in respect of or by reason of such obligations or their creation. By accepting a Note, each Noteholder waives and releases all such liability. The waiver and release are part of the consideration for the issue of the Notes.

17. Authentication

This Note shall not be valid until an authorized signatory of the Trustee (or an authenticating agent) manually signs the certificate of authentication on the other side of this Note.

18. Abbreviations

Customary abbreviations may be used in the name of a Noteholder or an assignee, such as TEN COM (=tenants in common), TEN ENT (=tenants by the entireties), JT TEN (=joint tenants with rights of survivorship and not as tenants in common), CUST (=custodian), and U/G/M/A (=Uniform Gift to Minors Act).

19. CUSIP Numbers

Pursuant to a recommendation promulgated by the Committee on Uniform Note Identification Procedures the Company has caused CUSIP numbers to be printed on the Notes and has directed the Trustee to use CUSIP numbers in notices of redemption as a convenience to Noteholders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

20. Governing Law

THIS NOTE SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.
