#### Employment Agreements

We are a party to an employment agreement with Joseph P. Clayton, Guy D. Johnson, John J. Scelfo, Patrick L. Donnelly, Joseph S. Capobianco and Michael S. Ledford.

6

#### Joseph P. Clayton

On November 26, 2001, we entered into an employment agreement with Joseph P. Clayton to serve as our President and Chief Executive Officer for three years. This agreement provides for an annual base salary of \$600,000, subject to increase from time to time by our board of directors. We have also agreed to reimburse Mr. Clayton for the reasonable costs of an apartment in New York City and for the reasonable costs of commercial travel to and from his home in Rochester, New York, to our headquarters in New York City. Mr. Clayton is guaranteed a bonus in 2002 in an amount at least equal to 50% of his base salary, and may earn a bonus in an amount greater than this, based upon performance criteria to be established by our board of directors. In connection with this agreement, we agreed to grant Mr. Clayton options to purchase 3,000,000 shares of our common stock at \$5.25 per share. 750,000 of these options were issued and became exercisable on November 26, 2001. The remaining options will be issued and become exercisable in increments of 750,000 on November 26, 2002, November 26, 2003 and November 26, 2004.

Under the terms of this agreement, if Mr. Clayton's employment is terminated without cause or he terminates his employment for good reason (as defined in the employment agreement), then he is entitled to receive a lump sum amount equal to (1) his base salary in effect from the termination date through December 31, 2004 and (2) any annual bonuses, at a level equal to 75% of his base salary, that would have been customarily paid during the period from the termination date through December 31, 2004; provided that in no event shall this amount be less than 1.75 times his base salary. In the event Mr. Clayton's employment is terminated without cause or he terminates his employment for good reason, we are also obligated to continue his medical and life insurance benefits until December 31, 2004.

If, following the occurrence of a "change of control", Mr. Clayton is terminated without cause or he terminates his employment for good reason, we are obligated to pay to Mr. Clayton an amount equal to 5.25 times his base salary and continue his medical and life insurance benefits until the third anniversary of his termination date. If, in the opinion of a nationally selected accounting firm, a "change of control" would require Mr. Clayton to pay an excise tax under the United States Internal Revenue Code on any amounts received by him, we have agreed to pay Mr. Clayton the amount of such taxes and such additional amount as may be necessary to place him in the exact same financial position that he would have been in if the excise tax was not imposed. Under the terms of the employment agreement, Mr. Clayton may not disclose any of our proprietary information or, during his employment with us and for three years thereafter, engage in any business involving the transmission of radio entertainment programming in North America.

#### Guy D. Johnson

On January 7, 2002, we entered into an employment agreement with Guy D. Johnson to serve as our Executive President, Sales and Marketing, for three years. This agreement provides for an annual base salary of \$400,000, subject to increase from time to time by our board of directors. We have also agreed to reimburse Mr. Johnson for his living expenses in New York City, up to \$6,000 per month, and for the reasonable costs of commercial travel to and from his home in British Columbia to our headquarters in New York City. Mr. Johnson is guaranteed a bonus in 2002 in an amount at least equal to 50% of his base salary, and may earn a bonus in an amount greater than this, based upon performance criteria to be established by our board of directors. In connection with this agreement, we agreed to grant Mr. Johnson options to purchase 500,000 shares of our common stock at \$9.46 per share. Options with respect to 125,000 of these shares became exercisable immediately. The remaining options become exercisable in increments of 125,000 on January 7, 2003, January 7, 2004 and January 7, 2005. We also granted Mr. Johnson 100,000 restricted shares of common stock. The restrictions applicable to 34,000 of these shares will lapse on January 7, 2003 if the

January 7, 2003 equals or exceeds \$15.00; the restrictions applicable to 33,000 of these shares will lapse on January 7, 2004 if the average price of our common stock on the twenty trading days preceding January 7, 2004 equals or exceeds \$20.00; and the restrictions applicable to the remaining 33,000 shares will lapse on January 7, 2005 if the average price of our common stock on the twenty trading days preceding January 7, 2005 equals or exceeds \$25.00. Any shares of restricted stock which do not vest on January 7, 2003, January 7, 2004 or January 7, 2005 will be forfeited.

Under the terms of this agreement, if Mr. Johnson's employment is terminated without cause or he terminates his employment for good reason (as defined in the employment agreement), then he is entitled to receive a lump sum amount equal to (1) his base salary in effect from the termination date through January 6, 2005 and (2) any annual bonuses, at a level equal to 75% of his base salary, that would have been customarily paid during the period from the termination date through January 6, 2005; provided that in no event shall this amount be less than 1.00 times his base salary. In the event Mr. Johnson's employment is terminated without cause or he terminates his employment for good reason, we are also obligated to continue his medical and life insurance benefits until January 6, 2005.

If, following the occurrence of a "change of control", Mr. Johnson is terminated without cause or he terminates his employment for good reason, we are obligated to pay to Mr. Johnson an amount equal to 1.75 times his base salary and continue his medical and life insurance benefits until the third anniversary of his termination date. If, in the opinion of a nationally selected accounting firm, a "change of control" would require Mr. Johnson to pay an excise tax under the United States Internal Revenue Code on any amounts received by him, we have agreed to pay Mr. Johnson the amount of such taxes and such additional amount as may be necessary to place him in the exact same financial position that he would have been in if the excise tax was not imposed.

Under the terms of the agreement, Mr. Johnson may not disclose any of our proprietary information or, during his employment with us and for two years thereafter, engage in any business involving the transmission of radio entertainment programming in North America.

John J. Scelfo

On March 7, 2001, we entered into an employment agreement with John J. Scelfo to serve as our Executive Vice President and Chief Financial Officer for three years. This agreement provides for an annual base salary of \$300,000, subject to increase from time to time by our board of directors. In connection with this agreement, we granted Mr. Scelfo options to purchase 300,000 shares of our common stock at \$6.91 per share. Options with respect to 150,000 shares became exercisable on October 4, 2001 and April 4, 2002, and the remaining options become exercisable in increments of 75,000 on October 4, 2002 and April 4, 2003.

Under the terms of this agreement, if Mr. Scelfo's employment is terminated without cause or he terminates his employment for good reason (as defined in the employment agreement), we are obligated to pay Mr. Scelfo an amount equal to the sum of his annual salary and the annual bonus last paid to him.

If, in the opinion of a nationally selected accounting firm, a "change of control" would require Mr. Scelfo to pay an excise tax under the United States Internal Revenue Code on any amounts received by him, we have agreed to pay Mr. Scelfo the amount of such taxes and such additional amount as may be necessary to place him in the exact same financial position that he would have been in if the excise tax was not imposed.

Under the terms of the agreement, Mr. Scelfo may not disclose any of our proprietary information or, during his employment with us and for two years thereafter (or one year thereafter if Mr. Scelfo's employment is terminated without cause or he terminates his employment for good reason), enter into the employment of, render services to, or otherwise assist our competitors.

Joseph S. Capobianco and Patrick L. Donnelly

Pursuant to these agreements, in 2001 we paid Mr. Capobianco an annualized base salary of \$275,000 and Mr. Donnelly an annualized base salary of \$325,000. These base salaries are subject to increase from time to time by our board of directors. Under the terms of these agreements, if the executive's employment is terminated without cause or he terminates his employment for good reason (as defined in the employment agreements), we are obligated to pay him an amount equal to the sum of his annual salary and the annual bonus last paid to him.

If, in the opinion of a nationally selected accounting firm, a "change of control" would require the executives to pay an excise tax under the United States Internal Revenue Code on any amounts received by them, we have agreed to pay Mr. Capobianco and Mr. Donnelly the amount of such taxes and such additional amount as may be necessary to place him in the exact same financial position that he would have been in if the excise tax was not imposed.

Under the terms of the agreements, the executives may not disclose any of our proprietary information or, during his employment with us and for two years thereafter (or one year thereafter if the executive's employment is terminated without cause or he terminates his employment for good reason), enter into the employment of, render services to, or otherwise assist our competitors.

Michael S. Ledford

On August 29, 2001, we entered into an employment agreement with Michael S. Ledford to serve as our Senior Vice President, Engineering, for three years. This agreement provides for an annual base salary of \$340,000, subject to increase from time to time by our board of directors. In connection with this agreement, we granted Mr. Ledford options to purchase 300,000 shares of our common stock at \$4.00 per share. These options become exercisable in increments of 100,000 shares on September 17, 2002, September 17, 2003 and September 17, 2004. We also granted Mr. Ledford 50,000 restricted shares of common stock. The restrictions applicable to these shares of common stock lapse on September 17, 2002, September 17, 2003, September 17, 2004 and September 17, 2005 in equal increments of 12,500 shares.

Under the terms of this agreement, if Mr. Ledford's employment is terminated without cause or he terminates his employment for good reason (as defined in the employment agreement), we are obligated to pay Mr. Ledford an amount equal to his annual salary.

If, in the opinion of a nationally selected accounting firm, a "change of control" would require Mr. Ledford to pay an excise tax under the United States Internal Revenue Code on any amounts received by him, we have agreed to pay Mr. Ledford the amount of such taxes and such additional amount as may be necessary to place him in the exact same financial position that he would have been in if the excise tax was not imposed.

Under the terms of the agreement, Mr. Ledford may not disclose any of our proprietary information or, during his employment with us and for two years thereafter (or one year thereafter if Mr. Ledford's employment is terminated without cause or he terminates his employment for good reason), enter into the employment of, render services to, or otherwise assist our competitors.

#### REPORT OF COMPENSATION COMMITTEE

The Compensation Committee of our board of directors, comprised solely of directors who are not current or former employees, is responsible for overseeing and administering our executive compensation

reviews, monitors and approves executive compensation, establishes compensation guidelines for our officers, reviews projected personnel needs and administers our long-term stock incentive plan.

During 2001 and the early part of January 2002, we recruited four new executive officers - Joseph P. Clayton, our President and Chief Executive Officer; Guy D. Johnson, our Executive Vice President, Sales and Marketing; John J. Scelfo, our Executive Vice President and Chief Financial Officer; and Michael S. Ledford, our Senior Vice President, Engineering. The Compensation Committee actively participated in the process of interviewing and selecting each of these four executive officers, and in structuring and approving their compensation arrangements. The Compensation Committee was advised by Towers Perrin LLC, a nationally recognized independent compensation consulting firm selected by it.

We entered into an employment agreement with each of these executive officers. A summary of these employment agreements and the employment agreement between us and Patrick L. Donnelly, our Executive Vice President, General Counsel and Secretary, and Joseph S. Capobianco, our Senior Vice President, Content, is described above under the heading "Employment Agreements".

#### Compensation Philosophy

Our compensation program for executive officers consists of three key elements:

- o a base salary;
- o an annual bonus; and
- o grants of stock options.

The Compensation Committee believes that this three-part approach best serves the interests of our stockholders. It enables us to meet the requirements of the competitive environment in which we operate, while ensuring that executive officers are compensated in a manner that advances both the short and long-term interests of stockholders. Under this approach, compensation for our executive officers involves a high proportion of pay that is "at risk" -- namely, the annual bonus and the value of stock options. During 2001, the annual bonus was based, in significant part, on individual performance. During 2002, the Compensation Committee expects to approve an annual bonus plan for executive officers and other employees. Pursuant to this plan, executive officers and employees will be entitled to receive bonuses based upon achievement of milestones approved by the Compensation Committee. Stock options relate a significant portion of long-term remuneration directly to stock price appreciation realized by stockholders.

#### Base Salaries

The base salaries paid to each of our executive officers during 2001 were paid pursuant to the written employment agreements described above, under the heading "Employment Agreements." Changes in base salaries for our executive officers were based upon competitive salary comparisons, a subjective assessment of the nature of the position and the contribution and experience of the officer and the length of the officer's service. The Compensation Committee did not assign any relative weight to the various factors it considered or set predetermined performance targets for purposes of these base salary determinations.

During 2001, the Compensation Committee approved a base salary increase for Mr. Capobianco on May 1, 2001 from \$275,000 to \$300,000 and approved a base salary increase on January 1, 2002 for Mr. Scelfo from \$300,000 to \$345,000 and Mr. Donnelly from \$325,000 to \$345,000.

#### Annual Bonus

In December 2001, the Committee awarded a cash bonus to Mr. Scelfo of \$225,000, Mr. Donnelly of \$225,000, Mr. Ledford of \$100,000, and Mr. Capobianco of \$75,000.

The Compensation Committee awarded these bonuses after reviewing the progress achieved during 2001 in preparing our service for launch, including the successful financings executed in 2001, the completion of many technology development efforts and the various cost containment initiatives undertaken during the year. Bonuses for our executive officers and other employees in 2001 decreased compared to 2000 levels. This decrease was established by the Compensation Committee, in large part, to reflect the decline in our stock price during 2001. The larger bonuses for Mr. Scelfo and Mr. Donnelly compared to

other executive officers reflect the additional role each played in the period following David Margolese's departure as Chief Executive Officer and prior to the arrival of Joseph P. Clayton as President and Chief Executive Officer.

#### Stock Options

We provide long-term incentives through stock options granted to our executive officers under our long-term stock incentive plan. The Compensation Committee believes that the potential for stock ownership by executives and other employees is the most effective method by which the interests of management may be aligned with those of our stockholders. The options granted typically vest over three years, have a term of ten years and an exercise price equal to the fair market value of our common stock on the grant date or the date we commit to issue the options.

In May 2001, the Compensation Committee awarded Mr. Donnelly 100,000 stock options. These options have a ten-year term and an exercise price of \$7.61 per share. In January 2002, the Committee awarded Mr. Scelfo 100,000 stock options. These options have a ten-year term and an exercise price of \$9.46 per share. The number of options granted by the Compensation Committee to these executive officers was based upon such criteria as anticipated achievement, responsibilities, performance, experience and future potential, as well as an awareness of the financial incentives required to retain the quality of executive management essential to the attainment of our strategic and financial objectives.

On May 11, 2001, the Compensation Committee awarded Mr. Margolese 1,500,000 stock options. These options have a ten-year term and an exercise price of \$12.67 per share. The unvested portion of these options vested on October 16, 2001 when Mr. Margolese resigned as our Chief Executive Officer.

The Compensation Committee has authorized executive management to grant stock options to employees below the executive officer level on an annual basis according to guidelines intended to be competitive with comparable companies and to reward individual achievement appropriately. Our executive officers do not receive annual stock option grants under this program.

#### Stock Option Repricing

On April 9, 2001, the Compensation Committee amended approximately 3,932,000 stock options with an exercise price greater than \$7.50 to cause such stock options to have an exercise price equal to \$7.50. The revised exercise price of these stock options was determined by the Compensation Committee based on the five day average of our common stock immediately prior to the repricing. David Margolese, our current Chairman, and then Chief Executive Officer, elected not to include any options held by him in the repricing. In addition, options held by John J. Scelfo, our Executive Vice President and Chief Financial Officer, and Michael S. Ledford, our Senior Vice President, Engineering, were not repriced because the exercise price of their stock options was less than \$7.50 per share. Joseph P. Clayton, our President and Chief Executive Officer, joined us in November 2001 and Guy D. Johnson, our Executive Vice President, Sales and Marketing, joined us in January 2002. None of the stock options held by either of these executives have been repriced or otherwise amended. In accordance with the SEC's rules, we

have included under the caption "10-Year Option Repricings" a chart that shows the options repriced by our executive officers.

The Compensation Committee, together with an independent compensation consultant, evaluated various methods to motivate and retain employees during the period prior to the launch of our service. After reviewing various compensation alternatives, the Compensation Committee concluded that repricing best served the near and long-term interests of our stockholders. Other than the change in the exercise price, no other changes to the terms of the original options were made.

#### Compensation of our Chief Executive Officer

On October 16, 2001, Mr. David Margolese's service as our Chief Executive Officer was terminated. In connection with this termination, he received a severance payment of \$5,000,000 in accordance with his employment agreement. On the date of Mr. Margolese's termination of employment, we also entered into an agreement with him relating to his continuing responsibilities as non-executive Chairman of our board of directors. Under this agreement:

- o Mr. Margolese receives, at the discretion of our board of directors, a fee of \$200,000 per year;
- o The termination date of stock options held by Mr. Margolese was extended until April 16, 2007, provided that he remains Chairman of our board of directors and complies with his duties and obligations under the agreement; and
- o Mr. Margolese's employment agreement was cancelled.

Both the severance payment to Mr. Margolese and the agreement relating to his continuing responsibilities as non-executive Chairman were reviewed and approved by the Compensation Committee.

Upon Mr. Margolese's resignation, Mr. Scelfo and Mr. Donnelly were appointed interim Co-Chief Executive Officers. Neither Mr. Donnelly's nor Mr. Scelfo's base salary was increased upon their appointment.

In November 2001, the Compensation Committee negotiated, and we entered into, an employment agreement with Mr. Clayton, our President and Chief Executive Officer. The Compensation Committee engaged Towers Perrin, an independent compensation consultant, to assist it in the process of evaluating appropriate compensation for Mr. Clayton. Towers Perrin identified for the Compensation Committee competitive compensation arrangements against which the Compensation Committee measured the compensation agreed to with Mr. Clayton. Mr. Clayton's compensation fell within observed competitive practices provided by Towers Perrin.

Pursuant to Mr. Clayton's employment agreement, we issued Mr. Clayton an option to purchase up to 750,000 shares of our common stock at an exercise price of \$5.25. These options were exercisable on the date of grant. Under his employment agreement, we are obligated to issue Mr. Clayton options to purchase up to 750,000 shares of our common stock at an exercise price of \$5.25 per share on each of November 26, 2002, November 26, 2003 and November 26, 2004. These options will be exercisable on the date of grant.

Policy with Respect to Internal Revenue Code Section 162(m)

Section 162(m) of the Internal Revenue Code places a \$1 million per person limitation on the tax deduction we may take for compensation paid to our Chief Executive Officer and our four other highest paid executive officers, except that compensation constituting performance-based compensation, as defined by the Internal Revenue Code, is not subject to the \$1 million limit. The Compensation

Committee generally intends to grant awards under our long-term stock incentive plan consistent with the terms of Section 162(m) so that such awards will not be subject to the \$1 million limit. The Compensation Committee also expects to take actions in the future that may be necessary to preserve the deductibility of executive compensation to the extent reasonably practicable and consistent with other objectives of our compensation program. However, the Compensation Committee reserves the discretion to pay compensation that does not qualify for exemption under Section 162(m) where the Compensation Committee believes such action to be in our best interest.

#### Voting Trust Agreement

We are a party to a voting trust agreement dated August 26, 1997 by and among Darlene Friedland, as grantor, David Margolese, as the voting trustee, and us. The following summary description of the Voting Trust Agreement does not purport to be complete and is qualified in its entirety by reference to the complete text of the agreement.

The Voting Trust Agreement provides for the establishment of a trust (the "Trust") into which (i) there has been deposited all of the shares of common stock owned by Mrs. Friedland on August 26, 1997 and (ii) there shall be deposited any shares of common stock acquired by Mrs. Friedland, her spouse Robert Friedland, any member of either of their immediate families or any entity directly or indirectly controlled by Mrs. Friedland, her spouse or any member of their immediate families (the "Friedland Affiliates") between the date shares are initially deposited and the termination of the Trust. The Voting Trust terminates on November 20, 2002.

The Voting Trust Agreement does not restrict the ability of Mrs. Friedland or any of the Friedland Affiliates to sell, assign, transfer or pledge any of the shares deposited into the Trust, nor does it prohibit Mrs. Friedland or the Friedland Affiliates from purchasing additional shares of our common stock, provided those shares become subject to the Trust.

Under the Voting Trust Agreement, the trustee has the power to vote shares held in the Trust in relation to any matter upon which the holders of such stock would have a right to vote, including without limitation the election of directors. For so long as David Margolese remains trustee of the Trust, he may exercise such voting rights in his discretion. Any successor trustee or trustees of the Trust must vote as follows:

- o on the election of directors, the trustee(s) must vote the entire number of shares held by the Trust, with the number of shares voted for each director (or nominee for director) determined by multiplying the total number of votes held by the Trust by a fraction, the numerator of which is the number of votes cast for such person by other stockholders and the denominator of which is the sum of the

total number of votes represented by all shares casting any votes in the election of directors;

- o if the matter under Delaware law or our Certificate of Incorporation or our Bylaws requires at least an absolute majority of all outstanding shares of common stock in order to be approved, the trustee(s) must vote all of the shares in the Trust in the same manner as the majority of all votes that are cast for or against the matter by all other stockholders; and
- o on all other matters, including, without limitation, any amendment of the Voting Trust Agreement for which a stockholder vote is required, the trustee(s) must vote all of the shares in

17

the Trust for or against the matter in the same manner as all votes that are cast for or against the matter by all other stockholders.

The Voting Trust Agreement may not be amended without our prior written consent, acting by unanimous vote of the board of directors, and approval of our stockholders, acting by the affirmative vote of two-thirds of the total voting power of Sirius, except in certain limited circumstances where amendments to the Voting Trust Agreement are required to comply with applicable law.
