Item 7.01 Regulation FD Disclosure.

Pandora Media, Inc. (the "Company") has announced an agreement to purchase KXMZ-FM, a Rapid City, South Dakota-area terrestrial radio station. This acquisition is being made in part to allow the Company to qualify for certain Radio Music Licensing Committee ("RMLC") settlement agreements concerning royalties and public performance of musical works in the American Society of Composers, Authors and Publishers and Broadcast Music, Inc. repertories. The Company believes that qualifying for these royalty rates could provide the Company with modest savings (less than 1% of revenue) in content acquisition cost compared with the rates it is currently paying.

This report contains forward-looking statements within the Private Securities Litigation Reform Act of 1995, including, but not limited to, statements regarding expected savings in content acquisition costs. These forward-looking statements are based on Pandora's current assumptions, expectations and beliefs and involve substantial risks and uncertainties that may cause results to materially differ from those expressed or implied by these forward-looking statements. Factors that could cause or contribute to such differences include, but are not limited to, our ability to successfully close the agreement to purchase, to avail ourselves of licensing structures such as those provided by RMLC agreements and to realize potential content acquisition cost savings. Further information on these factors and other risks that may affect our business is included in filings we make with the Securities and Exchange Commission ("SEC") from time to time, including our Form 10-K for the fiscal year ended January 31, 2013 and our Form 10-Q for the quarter ended April 30, 2013, particularly under the heading "Risk Factors." All forward-looking statements in this report are based on information currently available to us, and we assume no obligation to update these forward-looking statements in light of new information or future events.

The information furnished on this Form 8-K shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference into any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing.
