SCHEDULE 13D
(Amendment No. 3)

Statement of

LIBERTY MEDIA CORPORATION

Pursuant to Section 13(d) of the
Securities Exchange Act of 1934

in respect of

SIRIUS XM RADIO INC.

This Report on Schedule 13D relates to the shares of common stock, par value \$0.001 per share (the "Common Stock"), of Sirius XM Radio, Inc., a Delaware corporation (the "Issuer"). The Schedule 13D originally filed with the Securities and Exchange Commission by Liberty Media Corporation (formerly known as Liberty CapStarz, Inc.), a Delaware corporation (the "Reporting Person" or "Liberty"), on September 30, 2011, as amended by Amendment No. 1 filed with the Commission on May 9, 2012 and Amendment No. 2 filed with the Commission on May 31, 2012 (collectively, the "Liberty Schedule 13D"), is hereby amended and supplemented to include the information set forth herein. This amended statement on Schedule 13D/A (this "Amendment") constitutes Amendment No. 3 to the Liberty Schedule 13D. Capitalized terms not defined herein have the meanings given to such terms in the Liberty Schedule 13D.

Item 3. Source and Amount of Funds or Other Consideration

The information contained in Item 3 of the Liberty Schedule 13D is hereby amended and supplemented by adding the following information:

The Reporting Person entered into the Forward Contract described in Item 6 of this Amendment, which is incorporated herein by reference. The Reporting Person has made the prepayments referred to therein, and expects to use available cash on hand, to acquire the shares of Common Stock described in Item 6 upon physical settlement. The Reporting Person presently intends to settle the Forward Contract using physical settlement.

Between August 10 and August 16, 2012, the Reporting Person acquired an aggregate of 94,318,369 shares of Common Stock (the "Purchased Shares") in open market purchases. The table below sets forth for each day the number of shares purchased on such day and the per share weighted average price for such purchases. The Reporting Person used available cash on hand to acquire the Purchased Shares.

Date of Purchase	Number of shares of Common Stock Purchased	Per Share Weighted Average Price
8/10/12	43,000,000	\$2.452
8/13/12	15,800,000	\$2.496
8/14/12	31,170,000	\$2.517
8/15/12	2,848,219	\$2.523
8/16/12	1,500,150	\$2.529

Item 4. Purpose of Transaction

The information contained in Item 4 of the Liberty Schedule 13D is hereby amended and restated in its entirety as follows:

3

As previously described in Item 6 to the Liberty Schedule 13D, certain restrictions contained in the Investment Agreement, including the standstill provisions, expired on March 6, 2012. On March 20, 2012, the Reporting Person filed applications for consent to transfer of *de facto* control of the Issuer (the "De Facto Applications") with the Federal Communications Commission (the "FCC"), which applications were dismissed by the FCC on May 4, 2012 (the "FCC Dismissal"). The FCC dismissed the applications because such applications "are defective with respect to 'execution' and 'other matters of a formal character.'" On May 30, 2012, the Reporting Person filed with the FCC a Petition for Reconsideration of the Dismissal (the "Petition"). On August 17, 2012 the Reporting Person withdrew the Petition and simultaneously filed with the FCC an application for consent to transfer *de jure* control of the Issuer. The Reporting Person presently intends to (i) acquire beneficial ownership of additional shares of Common Stock that, together with its current beneficial ownership, would represent more than 50% of the outstanding shares of common stock (as calculated pursuant to Rule 13d-3 of the Securities Exchange Act of 1934, as amended), and (ii) assert control over the Issuer upon receiving FCC approval by, among other things, influencing management and taking one or more actions specified in clauses (a) through (j) of Item 4.

The Reporting Person acquired the Purchased Shares and entered into the Forward Contract described in Item 6, because, in each case, it believes that the acquisition of additional shares of Common Stock (with respect to the shares of Common Stock subject to the Forward Contract, as to which the Reporting Person presently intends to elect physical settlement) is consistent with the Reporting Person's intent to assert control over the Issuer. In addition to providing the Reporting Person with the opportunity to increase its equity interest in the Issuer at an attractive price, the Reporting Person believes that the resulting increase in its equity interest in the Issuer will put the Reporting Person in a better position to enhance the value of its interest in the Issuer for the benefit of the Reporting Person's shareholders by, among other things, influencing management of the Issuer or pursuing a transaction with or involving the Issuer or the Reporting Person's interests in the Issuer.

On August 8, 2012, the Reporting Person announced its plan to spin-off to its stockholders a subsidiary that will hold certain businesses, assets and liabilities, of the Reporting Person, including the Reporting Person's interest in the Issuer. The spin-off is subject to customary closing conditions, and the Reporting Person currently expects to complete the spin-off in late 2012.

Other than as provided herein, and except as contained in the agreements previously filed as exhibits to the Liberty Schedule 13D or as has been publicly announced by the Issuer or Liberty, Liberty does not have and, to the best of Liberty's knowledge, none of the persons listed on Schedule 1 have, any plans or proposals that relate to or would result in any of the actions set forth in clauses (a) through (j) of Item 4.

The Reporting Person intends to continuously review its investment in the Issuer, and may in the future determine (i) to acquire, subject to applicable laws, orders and regulation, additional securities of the Issuer, through open market purchases, private agreements or otherwise, (ii) to dispose of all or a portion of the securities of the Issuer owned by it or (iii) to take any other available course of action, which could involve one or more of the types of transactions or have one or more of the results described in clauses (a) through (j) of Item 4. Notwithstanding anything contained herein, the Reporting Person specifically reserves the right to change its intention with respect to any or all of such matters. In reaching any decision as to its course of action (as well as to the specific elements thereof), the Reporting Person currently expects that it would take into consideration a variety of factors, including, but not limited to, the following: the Issuer's business and prospects; other developments concerning the Issuer and its businesses generally; other business opportunities available to the Reporting Person; developments with respect to the business of the Reporting Person; changes in law and government regulations; general economic conditions; and money and stock market conditions, including the market price of the securities of the Issuer.

Item 5. Interest in Securities of the Issuer

The information contained in Item 5 of the Liberty Schedule 13D is hereby amended and supplemented by adding the following information:

The information contained in Items 3 and 6 of, and Rows (7) through (10) of the cover page to, this Amendment is incorporated herein by reference.

(a) The Reporting Person beneficially owns 3,090,798,249 shares of Common Stock (including (i) 2,586,976,761 shares of Common Stock issuable upon the conversion of all of the outstanding shares of B-1 Preferred Stock, (ii) 5,866,666 shares of Common Stock issuable upon the exchange of \$11 million aggregate principal amount of the Issuer's 7% Exchangeable Senior Subordinated Notes due 2014 (the "Exchange Notes") beneficially owned by the Reporting Person and (iii) the 41,087,753 shares that may be purchased upon physical settlement under the Forward Contract), which represent approximately 48.1% of the outstanding shares of Common Stock (as calculated pursuant to Rule 13d-3 of the Securities Exchange Act of 1934, as amended). The shares deemed outstanding is based on 3,833,253,534 shares of Common Stock reported as outstanding as of August 3, 2012 by the Issuer in its Quarterly Report on Form 10-Q for the quarter ended June 30, 2012.

(b) The Reporting Person has the sole power to vote or to direct the voting of 3,049,710,496 shares of Common Stock, and has the sole power to dispose or to direct the disposition of such number of shares. During the term of the Forward Contract, the Reporting Person has no right to vote or direct the voting, and has no right to dispose or direct the disposition, of the 41,087,753 shares of Common Stock covered by the Forward Contract, which are notional shares.

(c) Other than as stated herein or in any amendments to the Liberty Schedule 13D, no transactions in the Common Stock were effected by the Reporting Person or, to the best of its knowledge, any of the persons listed on Schedule 1 hereto in the past 60 days.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

The information contained in Item 6 of the Liberty Schedule 13D is hereby amended and supplemented by adding the following information:

On June 29, 2012, the Reporting Person entered into a forward purchase contract (the "Forward Contract") with an unaffiliated counterparty covering up to a maximum of 220,000,000 notional shares of the Issuer's Common Stock. The exact number of notional shares to be covered by the Forward Contract is to equal the number of shares purchased by the counterparty to establish its initial hedge. The expiration of the Forward Contract is to occur on the 60th day following the determination of the final number of shares to be covered by the Forward Contract. During the initial hedging period, the Reporting Person is obligated to make prepayments to the unaffiliated counterparty in an amount equal to 40% of the cumulative notional amount of the Forward Contract ("Prepayment Amounts"). On August 10, 2012, the unaffiliated counterparty completed its initial hedge, and the number of notional shares covered by the Forward Contract has been fixed at 41,087,753 shares. Under the Forward Contract, the expiration date is to be October 10, 2012, or 60 days after the completion of the counterparty's initial hedge. The settlement date is scheduled for October 15, 2012. The base price under the Forward Contract is approximately \$2.047 per share. The Registrant does not have the right to vote, or any investment power as to, the shares covered by the Forward Contract prior to the settlement date.

The Forward Contract provides for physical settlement upon expiration, with the Reporting Person retaining the right to elect cash settlement instead. In the case of physical settlement, the "forward price" will equal the volume weighted average price of the shares of the Issuer's Common Stock during the initial hedging period plus a commission (the "base price"), plus an amount equal to the counterparty's internal funding costs plus a spread. All Prepayment Amounts paid by the Reporting Person are to be applied against the aggregate forward price payable to the counterparty at settlement. If cash settlement is elected, (i) if the cash settlement price (which would be based on the price at which the counterparty unwinds its hedge) exceeds the forward price, then the counterparty will be obligated to pay the difference to the Reporting Person, and (ii) if the cash settlement price is less than the forward price, then the Reporting Person will be obligated to pay the difference to the counterparty. The Prepayment Amounts paid by the Reporting Person are to be applied against any cash settlement obligation the Reporting Person may have to the counterparty at settlement, with any excess to be returned to the Reporting Person.
